TO SPORTSMEN.

For duck shooting Sonoma Marsh has not its equal in California.

All lovers of DUCK, SNIPE and GOOSE HUNTING cannot fail to be satisfied to their hearts content on this Marsh. DONAHUE LANDING on the Petaluma side, and NORFOLK on the Sonoma side, are the two rendezvous. Surrounding Norfolk, which is the present southern terminus of the SONOMA VALLEY RAILROAD, game is more plentiful than it has been for years. Owing to the previous want of facilities for transportation this splendid hunting ground has not hitherto received the attention it so richly merits, but as an excellent daily service, via the Sonoma Valley Railroad, is now permanently established, and good accommodations provided, we feel convinced of it soon becoming one of the favorite hunting grounds of the State. STEAMER SONOMA leaves Washington St. Wharf daily (Sunday excepted) at 2 P. M., returning leaves Norfolk at 7.30 A. M. STEAMER JAS. M. DONAHUE leaves Washington Street daily at 3 P. M., arrives at Donahue 5 P. M., returning leaves Donahue at 8 A. M., arrives at San Francisco 10 A. M.
