United States of America.

Fifth circuit, Virginia district, May term, 1803.

Under a decree of the faid court, We the commiffioners will expofe for public fale, on the premifes, at 12 o'clock on Friday the 30th day of September next, *that valuable and extensive*

F A R M,

CALLED Mount Seins, alias Millthrope, lying in Fairfax county, on Difficult and Wolf Trap runs, containing by deed 550 acres, and by furvey 673 acres The manfion houfe is on a high healthy and agreeable fituation, convenient to which are fprings of good water—the houfe is 40 by 18 feet, two rooms on a floor, with a nine feet paffage and ftair cafe, two brick chimnies, with a fire place to each room, a piazza the whole length of the front, a cellar 40 by 18 walled with ftone and divided into two apartments. There are feveral fmall buildings near the manfion houfe and garden. There are alfo a valuable merchant and grift mill, faw mill, diftillery, miller's houfe and overfeer's houfe. The mill houfe is 40 by 30, two ftories high, half the lower ftory of ftone, the other part framed work, and covered with fhingles. There are one pair of Burr, and one pair of Cologne ftones, three bolting cloths almoft new, and one fcreen, all now in ufe in manufacturing wheat and grinding grift. The ftill houfe 40 by 30, one ftory high, walls of ftone and fhingled roof, the floors planked, the upper laid for malting grain, and troughs fixed round the whole houfe, conftructed to carry water to every veffel which may need it. Three ftills and one boiler can be worked to advantage in faid houfe. The waters of Wolf Trap, on which the mill and faw mill ftand, are conftant ftreams. The fituation for country cuftom, or purchafing wheat is exceeded by none in the county or neighborhood, not being more than 17 miles from Alexandria and 13 from George Town, where there are excellent markets for country produce of every defcription; and about 14 miles from the city of Wafhington. The land is fertile and productive, and the foil well adapted to received improvement from the ufe of plaifter of Paris. There are upwards of 3000 pannels of fence on the land, about 160 or 170 acres of well timbered land belonging to the tract There have been nearly 20 acres of timothy made, lying on Wolf Trap and Difficult runs, 50 acres more may be made at a fmall expence. This farm enjoys many natural advantages, which are unneceffary for us to mention, it being taken for granted that any perfon wifhing to buy fuch property will avail themfelves of the opportunity of viewing the premifes previous to the day of fale.

The terms of which are, one third of the money to be paid on the day of fale, (at which time deeds will be made to the purchafer) one third in fix months, and the other third in 12 months, with the intereft accruing on the two laft payments from the day of fale. A deed of truft will be expected to fecure the laft payments.

Some informality in the decree prevented the fale agreeably to the former notice This defect being obviated by the parties, the property will moft certainly be fold as now notified.

Captain James Wiley, refiding near the land, will fhew the premifes, and alfo a plat of the furvey, which is left with him for the information of thofe concerned. The title papers will be exhibited on the day of fale.
