Graduation Time Is Elgin Time

Time flies! That boy of yours—or that girl of yours—has come a little farther along in the Great Adventure that we call Life.

You are proud of their accomplishments and you say so in secret to their mother. And together you decide that this Graduation Gift will be one that will live long in usefulness and in memory.

Not just a time-piece that ticks off the seconds and the hours in a mechanical sort of a way, but such a watch as you have carried for years—and your parents before you.

An Elgin!

Somehow there is something in the very name that lifts the gift at once above the commonplace and makes it always a precious reminder of the giver—in years to come, *an heirloom!*
