IMPERIAL GRANUM
Food *for the* BABY

Let Your Baby's Today Build a Healthy Tomorrow

Although condensed milk is convenient to use, and baby apparently gains, don't forget that the gain is often superficial, for condensed milk used alone, lacks the proper food elements to produce lasting health.

Add
IMPERIAL GRANUM
the Unsweetened FOOD

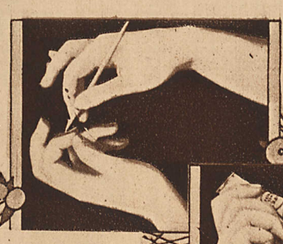
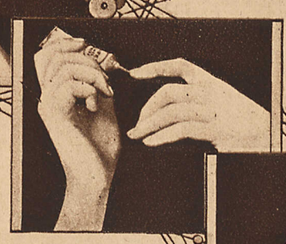
Read what Geraldine Farrar says of Cutex

So beautifully smooth and even does Cutex leave the skin at the base of the nails, that I never think of allowing my cuticle to be cut

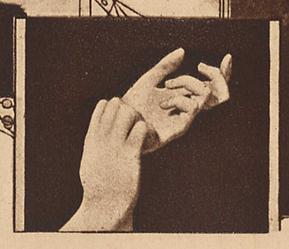
Geraldine Farrar



When you see how lovely Cutex makes your nails, you will wonder how you ever tolerated cutting the cuticle



To keep your nail tips white all day, apply Cutex Nail White underneath them in the morning



For a delightful, lasting polish, use Cutex Nail Polish. Comes in any form you desire

The modern way to manicure

To keep your own nails exquisite, shapely, manicure without cutting the cuticle

✦ ✦ ✦

CUTTING the cuticle leaves a rough, uneven edge. The more you cut it, the tougher, drier and more irregular it becomes.

Cutex, the modern cuticle remover, has done away forever with this tedious and harmful cutting.

Wrap a little cotton around the end of an orange stick (both come in the Cutex package), dip it into the bottle of Cutex and work around the base of the nails, gently pushing back the cuticle. Rinse the fingers in clear water.

If you like snowy-white nail tips, apply a little Cutex Nail White underneath the nails directly from its convenient tube. Finish your manicure with Cutex Nail Polish.

When you see how lovely Cutex makes your nails look—what a smooth, even line it gives the cuticle at their base, you will never go back to the old cuticle-cutting method again.

Secure Cutex at any drug or department store. The Cuticle Remover comes in 35c and 65c bottles. Cutex Nail White, Nail Polish and Cuticle Comfort are each 35c.
