SELIM.

A GENUINE Arabian HORSE, brought to this country last summer by captain James Barron, in the United States Frigate Chesapeak, on her return from the Mediterranean. The said horse was brought from Egypt by the way of Malta, and from thence to Gibraltar, at which place capt. Barron obtained him from captain Ramsay, of the Queen's Regiment, who intended him for England, but was prevailed on to let him come to this country. He will stand the ensuing season at my house in Dinwiddie county, near the Cut Bank Bridge, on Nottoway River.—The terms will be made known in due time And whereas doubts may have arisen with respect to his being an Arabian, the subscriber pledges himself in case it should be made appear otherwise than has been stated in captain Ramsay's certificate, at any future reasonable time, to reimburse the money the said horse covers at to such gentlemen as think proper to send to him. The manner of his coming, and the character who brought him, are in addition to this guarantee, as well as undeniable respectable certificates, such testimony of his being a genuine Arabian, whatever interested or prejudiced minds may advance to the contrary, that an attempt to further proof of this horse being really Arabian bred, is thought at this time unnecessary, yet I beg leave to subjoin that he is considered upon the grounds of being genuine, a great acquisition by those who are really acquainted with the character of the Arabian horses.

Abraham Faw, versus Abel Sargent.

THE object of the bill is to obtain a decree for the sale of the three Lots or parcels of ground with the improvements, situate in the town of Western Port in Allegany county or so much thereof as, shall be necessary to discharge the debt due from the defendant to the complainant.

The bill states that the defendant on the 7th day of October 1792 to secure the sum of five hundred pounds current money due from him to the complainant, on that day executed a deed of mortgage for the said property, that no part of the money has been paid, and that the defendant has removed from the state, and without the process of this court. It is thereupon on the motion of the complainant ordered, that he cause a copy of this order to be inserted at least once in each of three successive weeks in the National Intelligencer or the Baltimore Telegraphe, before the 22d day of February next, to the end that the said Abel Sargent may have notice of the complainant's application to this court, and of the subject and object of his bill, and may be warned to appear in the court in person or by a solicitor on or before the 21st day of June next, to shew cause wherefore a decree should not pass as prayed.
