5 Question
Songs — ?
6 30 America

22 1/2

Sporting element
Playing with music
Special attitude, using other music, both serious + non-serious —

Pretended not to care about not being performed — but danced a jig + cut beard at broadcast of 2nd sympt.

Brings up question:
what is American?
European music had its folk-roots
(chorales, minuets, folk-songs, marches)
Am. music had only Indian + Negro —
So Ives seized on traditional times —
patriotic, hymns, pop songs —
(Clementine, America, etc.)

2 Songs, neither of which is really a song: Rainbow
Lincoln

But: Ives' big sense of Optionals: (cf Hallowe'en, almost everything else) — chorus or solo voice; Eff or Basset, ~~a Voice~~ why not voice?
