## Travellers Hall.

THE ſubſcriber has lately been induced from the rapid increaſe of his cuſtom to purchaſe a lot of ground adjoining that on which he lives for the purpoſe of building a dining room and aſſembly room, each 54 feet by 32 feet 10 inches with ſix additional lodging rooms, and intends to finiſh them before the enſuing winter; which together with his tavern and houſe will occupy a front of near one hundred feet in the moſt agreeable part of the town and in the center of buſineſs being on the higheſt part of the public ſquare.

He has conſiderably increaſed the furniture &c. of his houſes and ſtables. His domeſtics and ſervants are of the moſt faithful diſpoſitions and properly qualified for the departments to which they are aſſigned. He has a conſtant ſupply of the beſt ſtable forage; imported and country proviſions, imported liquors, &c. of the firſt quality, foreign newſpapers, &c. And his ice will moſt probably laſt through the hot weather.

The diſtinguiſhed preference which the firſt characters have already given him, fills him with gratitude. He offers his ſincere thanks to all his good friends and begs leave to aſſure them that neither his time nor his purſe ſhall be ſpared in attempting to render the Travellers Hall a houſe of entertainment, for GENTEEL GUESTS ONLY, equal to any in America.

N. B. Prizes ſubject to a deduction of 15 per cent.

This lottery has been authoriſed by the legiſlature of Virginia, for the laudable purpoſes of erecting a ſeminary of learning in or near the metropolis of this ſtate. With this view, it is contemplated to raiſe 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the firſt reſpectability have been ſelected as truſtees, and they have pledged themſelves to uſe their utmoſt exertions to carry it into effect. The ſcheme has the advantage of giving to each adventurer, a chance for ſome very large prizes, whilſt the proportion of prizes to blanks, is ſo great as to invite the friends of the intended inſtitution to partake in the lottery, with very little riſque of their becoming loſers. The treaſurer of the ſtate is to be appointed to receive the money for the tickets as they are ſold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above conſiderations will induce a rapid ſale of tickets, and the drawing will commence as ſoon as a ſufficient number ſhall be ſold to authoriſe it——which it is believed will be on the ſecond Monday in December next.
