N. B. Prizes subject to a deduction of 15 per cent.

This lottery has been authorised by the legislature of Virginia, for the laudable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer, a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce a rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it—which it is believed will be on the second Monday in December next.

THEATRE.

AS measures have been taken by the Directors of the Theatre to have that building carried on with spirit, so as to be compleated by the approaching season, it is earnestly hoped that all persons who have subscribed Cash for that object, and who may not have as yet made payment, will make the payment immediately to some one of the Directors. Those who have subscribed work or materials—that may not have executed the first or furnished the last, will please make early application to Mr. George Hadfield, who will contract for the materials, or for such work as may be required.

The Directors have thought proper to give this public notice, that every subscriber may come forward in the manner promised at the time of subscribing. They cannot doubt but that there will exist a generous emulation among all, to tender their promised aid in promoting an object which may conduce materially to the advantage of the city. If however, contrary to their expectations, the Directors should find themselves disappointed by any of those who have agreed to furnish materials or work—in that case they will be constrained to contract with others for such work or materials to be paid in cash—and call upon such subscribers for the amount of their subscriptions in cash, which it is hoped will not be deemed unreasonable or improper.

50 Dollars reward,

STRAYED or stolen from the commons of Washington city, between Saturday and Monday the 7th and 9th of July, inst. a pair of bright BAY HORSES, of the following descriptions:—One about fifteen and a half hands high over the shoulders, and about two inches lower over the hips, supposed to be eight years old, black mane and tail, mane on the right side, trots and canters, a star in the forehead, both hind ancles white, and has partly on the inner side of each, uniformly placed, about one inch above the hoof a black spot of about three quarters of an inch diameter; no other striking natural marks are recollected. This horse is supposed to be three fourths English blooded; he is when in flesh very handsome, and moves with ease and elegance. He is now much reduced in appearance by a long journey, his back something injured by the saddle, and has old marks of similar abuse.

The other horse is about fifteen and a half hands high before, and the same behind, six years old, not so handsomely built in any respect as the other, but carries himself very well, trots hard, canters easy and racks a little, his mane and tail are likewise black; his mane thin and on the right side; left hind ancle white; has a star in the forehead, and a snip in the nose, mostly inclined to and running into the left nostril; a circular brand on the left shoulder, with a character in the center believed to be intended for an A. He is not so low in flesh as the other, the new saddle marks are worse, but he has few or no old ones, except a slight appearance of a former naval gall. They were shod all round.

If stolen the above reward will be paid on conviction of the thief; if strayed and found within 20 miles of Washington city a reward of 20 dollars will be given, and if beyond that distance, 40. dolls. expences included, on their return to Phineas Bradley, Washington city, or Renner and Bussard, George Town.

Valuable Lands for Sale.

By order of the court of Calvert county, will be exposed to Public Sale the following lands, the property of the heirs of captain Walter Smith, deceased.

ON Monday the 20th day of August next, will be sold on the premises the plantation on which the said capt Walter Smith formerly resided, containing by actual survey, 1225 1 3 acres of land lying adjoining on Patuxent river, bounded on the south west by the said river, on the east by a fine navigable creek, called Saint Leonard's creek, so that one and a half miles of fencing will inclose the whole land—The soil of this land is equal if not superior to any on Patuxent, either for farming, planting or grazing, and in their season the greatest plenty of fine fish and oysters may be had either from the river or creek. A great part of the above land is covered with Red Cedar, fit for posts or fencing.

On Tuesday the 21st on the premises, will be sold one other plantation in the Forrest at about two miles distance from the former containing by survey 627 and one half acres of land, the greatest part of which is covered with hickory, chesnut and oak wood, and a great proportion of swamp land, which at a trifling expence might be converted into valuable meadow, belongs to this land.

On Thursday the 23d on the premises, will be sold one other plantation lying adjoining on Chesapeake Bay, bounded on the north east by the said bay, on the north by a creek called Parkers creek, containing by survey 536 1-2 acres of land, on this land there are a good proportion marsh and meadow land and a great abundance of fine timber.

It is thought needless to give a fuller description of the above lands, as it is presumed that those who wish to purchase will view the lands previous to the day of sale—and on application to Mr. John Turner who resides near the two first mentioned tracts; they may see the platts of the different tracts of land, and will shew the lands contiguous to him; and Mr. Richard Hance who resides on the last mentioned tract, will shew the outlines of the same to any person wishing to view it.

The above lands will be sold either in the whole, or be divided into parcels as may appear most advantageous for the heirs. The purchasers to give bonds with approved securities for the purchase money, to be paid in three annual payments, the interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money and interest thereon a deed of conveyance will be executed to the purchaser agreeably to an act of Assembly in such case made and provided, by
