"The Heim"
Central Carmel
Haifa. Sept. 15

My dear Mr. Moffatt,

I have just received your telegram, advising me of your arrival on October 2nd; & I will engage a room here for you, for that night. Then you can stay on here, or move to some other place on the Carmel, as you wish, & after getting rested from your journey. I may be returning to my "Hermitage" (further up the mountain) any day, from next week; & shall probably be on Mt. Carmel throughout ~~that~~ October. After

that, it may be necessary for me to go to Jerusalem, & other places, to fulfil certain work; & then, later, come to Cairo, if possible, for a few more weeks at the Book, as you wish, & if so let it be.

Meanwhile, during your visit here, I shall look forward to talking over (with you) certain plans & proposals for the future which I think will be of interest.

God bless you, & give you a safe journey!

Yours, in Him,

+ Ernest Newlandsmith
