FIRST LEGION.

ATTENTION!

AT a Legionary Court of Enquiry, held on the 15th day of March last, in obedience to a law passed at the last session of Congress, intituled, "An act more effectually to provide for the organization of the Militia of the District of Columbia," ordered that the following be the Uniform to be worn by all non-commissioned officers and privates belonging to the battalion companies of the first Legion while on duty, viz. A DARK BLUE COAT of ordinary length, WHITE VEST, WHITE BREECHES and WHITE STOCKINGS, or WHITE PANTALOONS and WHITE STOCKINGS, or WHITE OVERALLS, with SHOES and ROUND BLACK HAT: which Uniform having been approved by the Brigadier General, is now published by order of the said court.

Wm. D. BEALL, Clerk of L. C. E.

Sec. 27. And be it further enacted, That all non commissioned officers and privates, belonging to battalion companies, shall appear while on duty, uniformly clothed, the color and fashion of which uniforms to be determined on for the respective legions, by the first legionary courts of enquiry which shall be held, and to be approved of by the Brigadier General; provided the expense of the same, additional to that of usual, ordinary, and cheap clothing, does not exceed five dollars for each person, and every such non commissioned officer, or drummer, or fifer, or private, appearing at any muster held after three months from the time that such uniform shall have been determined on, and the order relative thereto shall have been published, in some newspaper within the legionary district and not wearing the same, shall be fined five dollars for each offence, unless he can make it appear to the satisfaction of the court of enquiry of the battalion to which he may belong, that he was unable to equip himself.

LANDS FOR SALE.

THE subscriber wishes to sell a tract of land situate near the foot of the Blue Ridge and Short Hills in Loudon county Virginia, bounded partly by Potomac river within two miles of Harpers Ferry and the mouth of Shenandoah. It is of strong good soil, answering perfectly well for Plaister of Paris, and contains by patent 2340 acres. It is so well known as a valuable and fine tract of land that a further description is unnecessary to those who incline to purchase will naturally view and examine it. A clear and indisputable title will be given by the subscriber. There is no mortgage, judgment, debt, lease, claim or demand whatsoever against any part, it having been always let to tenants at low annual rents who are raised and removeable at will; but the occupying tenants (through favor only) have been permitted to claim from any coming in tenant one half of the deposit money as may be settled between them, for the improvements and good will, the other half going to the landlord. There are at present sixteen or seventeen tenants upon the estate at very low rent. And it is recommended as an object well worth the attention of any person who would purchase the whole to parcel it into lesser farms to the resident tenants or others wishing to purchase parts of it.

The terms of sale are a portion of one fourth paid down in money, or in approved negotiable paper, and the remainder in one two or three years as may be agreed upon carrying interest from the day of sale. Application may be made personally, or by letter, to the subscriber residing at Warburton on Potomac river, near to Alexandria, to James M'Ilherny near the premises, or to Mr. John Janney merchant in Alexandria.

COMMITTED on the 24th day of July last, to the gaol of Prince George county Maryland, a negro man by the name of Richard about five feet one or two inches high, appears to be thirty years old or upwards a dark complexion, has a scar on the right side of his forehead, and a small scar near the left eye, has lost two or three of his upper teeth—his cloathing an osnabrig shirt, brown roll trowsers, and the crown of an old wool hat, says he belongs to general B Kertein, near Port Tobacco Charles county, and that he was hired to Mr. O'Brien in the City of Washington—his owner is requested to release him from gaol or he will be sold out for his prison fees as the law directs.

By his excellency JOHN F. MERCER, governor of the state of Maryland.

A PROCLAMATION.

WHEREAS it appeareth unto me, by an inquest taken in Kent county, before Joseph Hynson, Esq. one of the coroners of the said county, that an atrocious murder hath been committed on the person of ROBERT ASHLEY late of Kent county, by a certain Ephraim Armstrong, also of said county, who hath since absconded and fled from justice: And whereas, it is the duty of the Executive to guard as much as may be against the commission of such enormities, and to bring such offenders against the laws and peace of society to justice—I have, therefore, thought proper to issue this my proclamation, and do, by and with the advice and consent of the council, offer a reward of TWO HUNDRED DOLLARS to any person or persons who shall apprehend and secure the said Ephraim Armstrong, in any jail in the United States, so that he be brought to justice.

Given in council, at the city of Annapolis, under the seal of the state of Maryland, this sixth day of August, in the year of our Lord, eighteen hundred and three.

JOHN F. MERCER.

By his excellency's command.

NINIAN PINKNEY,

Clerk of the governor and council.

Description of the person of Ephraim Armstrong.

He is about thirty-five years of age, of a muscular make, five feet ten inches high, wears his own hair which is short, black, and curls very much; his eyes are small, black and piercing; his complection brown; his countenance remarkably dark and gloomy; when he speaks he works his mouth about a good deal. 'Tis said he has a brother somewhere in the western country, if so, it is probable he has gone to him—He usually rode a grey mare, which it is supposed he rode away, as she is missing from his farm.

IN COUNCIL.

Annapolis, August 5, 1803.

Ordered, That the foregoing proclamation and description be published four times in each week for the space of four weeks, in the Telegraphe, American, and Federal Gazette, at Baltimore; the National Intelligencer at Washington; the Maryland Gazette, at Annapolis; the Republican Advocate, Herald, and Bartgis's paper at Frederick Town; and Mr. Smith's paper at Easton.

TWENTY DOLLARS REWARD

RAN AWAY from the subscriber on the 24th of June last, near the Eastern Branch ferry, City of Washington, a Negro man named ABRAHAM, but being an artful fellow, I expect he will change his name, and pass for a free man. He is about 28 years of age, about 5 feet 9 or 10 inches high, well made: He is rather of a yellow complexion; his wool is very short, and a scar on one side of his head near the top; he speaks very quick, and stammers in his speech. He was formerly the property of Doctor Blake of Calvert county. I have some reason to believe he has made for that place, or otherwise for Baltimore. He had no cloathing with him but what he had on, which was Osnaburg trowsers, an old shirt, a grey short coat. Whoever delivers the said fellow to me, shall receive the above reward.

Fifth circuit, Virginia district, May term, 1803.

Under a decree of the said court, We the commissioners will expose for public sale, on the premises, at 12 o'clock on Friday the 30th day of September next, *that valuable and extensive*

FARM,

CALLED Mount Sains, alias Millthropes lying in Fairfax county, on Difficult and Wolf Trap runs, containing by deed 550 acres, and by survey 673 acres. The mansion house is on a high healthy and agreeable situation, convenient to which are springs of good water—The house is 40 by 18 feet, two rooms on a floor, with a nine feet passage and stair case, two brick chimnies, with a fire place to each room, a piazza the whole length of the front, a cellar 40 by 18 walled with stone and divided into two apartments. There are several small buildings near the mansion house and garden. There are also a valuable merchant and grist mill, saw mill, distillery, miller's house and overseer's house. The mill house is 40 by 30, two stories high, half the lower story of stone, the other part framed work, and covered with shingles. There are one pair of Burr, and one pair of Cologne stones, three bolting cloths almost new, and one screen, all now in use in manufacturing wheat and grinding grist. The still house 40 by 30, one story high, walls of stone and shingled roof, the floors planked, the upper laid for malting grain, and troughs fixed round the whole house, constructed to carry water to every vessel which may need it. Three stills and one boiler can be worked to advantage in said house. The waters of Wolf Trap, on which the mill and saw mill stand, are constant streams. The situation for country custom, or purchasing wheat is exceeded by none in the county or neighborhood, not being more than 17 miles from Alexandria and 13 from George Town, where there are excellent markets for country produce of every description; and about 14 miles from the city of Washington. The land is fertile and productive, and the soil well adapted to received improvement from the use of plaister of Paris. There are upwards of 3000 pannels of fence on the land, about 160 or 170 acres of well timbered land belonging to the tract. There have been nearly 20 acres of timothy made, lying on Wolf Trap and Difficult runs, 50 acres more may be made at a small expence. This farm enjoys many natural advantages, which are unnecessary for us to mention, it being taken for granted that any person wishing to buy such property will avail themselves of the opportunity of viewing the premises previous to the day of sale.

The terms of which are, one third of the money to be paid on the day of sale, (at which time deeds will be made to the purchaser) one third in six months, and the other third in 12 months, with the interest accruing on the two last payments from the day of sale. A deed of trust will be expected to secure the last payments.

Some informality in the decree prevented the sale agreeably to the former notice. This defect being obviated by the parties, the property will most certainly be sold as now notified.

Captain James Wiley, resididing near the land, will shew the premises, and also a plat of the survey, which is left with him for the information of those concerned. The title papers will be exhibited on the day of sale.

If he is not released he will be sold for his jail fees according to law.

PATENT GUN LOCK.

The subscriber offers for sale the right of making and using Edward West's improvement in Gun Locks, which is considered by judges of the utmost importance to every person using fire arms, and more particularly to the army and militia of the United States. There are two very great advantages resulting from this improvement, the first is, that no accident can possibly happen by a gun going off at half cock as it has in that situation no connection with the dog, consequently not with the trigger or any other external part of the lock. It cannot possibly catch at half cock as there is no notch that the dog can catch on, and the counter dog is so placed in the act of cocking, as not to be restored but by the cock first falling or being let down. The great security in this improvement ought certainly to recommend it to general use, to avoid the innumerable accidents that has and must unavoidably happen from the present plan, in guns going off at half cock, &c. Application made to Mr Rhodes, city of Washington, will be communicated and attended to, where I shall attend at the sitting of Congress.
