CONFORMABLY to an order issued from the hon. court of Calvert County at September term last, the subscribers will offer at Public Auction on Tuesday the 4th day of February next, if fair, if not the first fair day thereafter, at the late residence of Nathan Smith deceased, at the hour of 12 o'clock,

A valuable Tract of Land

containing Four Hundred and Fourteen acres, and Fourteen Perches.—— his truly fertile spot may justly be ranked as first rate land, the soil being extremely rich, capable of producing wheat, hemp, flax, clover, timothy, Indian corn and fine tobacco; the greater part of this beautiful place lies extremely level and we should do injustice to it, did we neglect to say that few places are equal and none can excel it; the improvements are convenient and in tolerable repair, and as it is presumable those who are inclined to purchase will view the premises previous to the day of sale, it renders a full detail of the improvements unnecessary. This place lies within four miles of Nottingham and about six from Pig Point, has a sufficiency of timber and wood to support it, a tolerable apple orchard, with other fruit trees.

The terms of sale are, that bond and approved security will be required, on the day of sale, payable in two equal payments, the first in twelve, and the second in eighteen months, with yearly interest on the purchase money unpaid, the sale to be subject to the ratification and confirmation of the court, and upon the whole purchase money and interest being paid (and not before), the purchaser or purchasers will receive an indisputable title to the premises so bargained and sold. Possession will be given on the day of sale. This land will be sold altogether or in lots as may appear most conducive to the interest of the representatives.

Twenty Dollars Reward.

AARON, a mulatto man about 43 years old, left the city of Washington early in October, and was seen on the road leading from Alexandria to Leesburg in company with a black woman, who I am informed is the property of some person in the vicinity of this place—He is about 5 feet 10 inches high, has strait hair, very bald in one of his eye brows (I think it is the left) near his nose, there is an indented scar occasioned by a stroke he received, which fractured the bone in that place, and whenever he has it in his power never fails to drink to excess. It is probable that he has gone to Jefferson or Berkley county in Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky. FOR SALE.

IN the county of Albemarle Virginia, 971 acres of land lying on both sides of Hardware river, generally adapted to small grain corn and tobacco with a great abundance of meadow land. About four hundred acres are cleared most of which are low grounds; and it is perhaps capable of the highest improvement of any land in this part of the world by having an inexhaustible source of rich mud or soil that has been accumulating for ages. The situation is fine, healthy, convenient to two tobacco warehouses, the court house and several merchant mills and in a very respectable neighborhood. Hardware river is capable of being made navigable into James river from several miles above this tract for which there is an act of assembly. There is on the land a large two story dwelling house, almost new and other convenient houses—at about half a mile from which, there is also an old dwelling house, kitchen and store house, that may be made with some repairs capable of accommodating a genteel family. There is also on the premises between 90 and 100 000 bricks well burnt which will be disposed of on reasonable terms. The payments required will be one third cash and the remainder at two equal annual instalments. Any person wishing to purchase or view the said land will apply to the subscriber living on the premises

HIGHWAY ROBBERY.

YESTERDAY about 11 o'clock in the forenoon, Mr. JOHN PETER, an Officer of the BANK OF COLUMBIA, was stopped on horseback on the road between this town and Alexandria, and within about 2 miles of the latter place, by some unknown villain, shot through the body with a pistol, and robbed of a sum of money in his possession belonging to this Institution which he was taking to Alexandria, for the purpose of exchanging with the banks there.

The whole sum taken amounted Eighteen Thousand One hundred and Fourteen Dollars and Sixty five Cents, made up in several packages, among which were,

		Dol. C
1	post note of the Bank of Virginia, for	800
1	do. of the same, for	500
1	do. of the same, for	500
1	do. of the same, for	450

A check of the Union Bank, on the Bank of Alexandria, drawn by R. Higinbotham, cashier, in favor of Greetham and Deveraux, by them endorsed and by Benj. Stoddert, and C. Smith, Teller.

There were also a parcel of post notes of the Bank of Alexandria for 100 dolls. and for 50 dolls. each. The remainder was in current notes, principally of the banks of Alexandria and Potomac, and some few of the Bank of Virginia of different sizes and denominations.

As the attack was sudden, and the wound received of a nature to deprive Mr. Peter instantly of his senses, (altho' it is now hoped he will recover) the description obtained may not be very accurate—As far as we are informed—the man who perpetrated the act, is of middle stature, good countenance, and had a genteel appearance. He had on a dark blue or black coat, nankeen pantaloons, shoes, and a black hat, he was on foot and alone at the time, but may have had accomplices concealed, and will probably change his clothes

FIVE HUNDRED DOLLARS will be given to any person or persons, who will detect and bring to conviction the robber: and ONE THOUSAND DOLLARS additional for the recovery of the whole of the money, or in proportion for any smaller sum recovered—should there be accomplices, and one of them make a discovery, so that it leads to the conviction of the robber, or to the recovery of the money he shall receive the above reward, and interest will be made to obtain his pardon

IRON WORKS
ON POTOMAC.

The Subscriber has for Sale or Rent, a good seat for a Furnace upon the North Branch of Potomac in Hampshire county, with plenty of ore already investigated at considerable expence and found to be good, a constant and sufficient stream with upwards of 30 feet fall, and the wood of more than 9000 acres of well timbered land; enough of which is arable to form a complete establishment. Connected with this may also be rented the forge built by Mr. John Potts at the Great Falls of Potomac, now the property of the subscriber. It is conceived that these two seats are particularly worthy of the notice of Iron Masters of capital; as they are fully adequate to the supply of iron, in its various forms, to an extensive country, having great demand for that article, both above and below the Blue Ridge. The Hampshire property is free from every incumbrance, and the payment of a very few thousand dollars due to the proprietor of the fee simple at the Great Falls (my lease of which is for upwards of 900 years at a low rent) for rents in arrears prior to my purchase, will render this property clear; and afford a complete establishment for all the various manufactures of Iron, as well as for mills, with a convenient farm, &c. &c.

I have seats equally eligible (if not superior) for furnace and forge, upon the river Shenandoah in this county, with ore, wood, and water, all convenient and abundant: which may be rented for a long term of years, with rich farming land attached thereto.
