This lottery has been authoriſed by the legiſlature of Virginia, for the laudable purpoſes of erecting a ſeminary of learning in or near the metropolis of this ſtate. With this view, it is contemplated to raiſe 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the firſt reſpectability have been ſelected as truſtees, and they have pledged themſelves to uſe their utmoſt exertions to carry it into effect. The ſcheme has the advantage of giving to each adventurer, a chance for ſome very large prizes, whilſt the proportion of prizes to blanks, is ſo great as to invite the friends of the intended inſtitution to partake in the lottery, with very little riſque of their becoming loſers. The treaſurer of the ſtate is to be appointed to receive the money for the tickets as they are ſold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above conſiderations will induce a rapid ſale of tickets, and the drawing will commence as ſoon as a ſufficient number ſhall be ſold to authoriſe it—which it is believed will be on the ſecond Monday in December next.
