IRON WORKS *ON POTOMAC.*

The Subscriber has for Sale or Rent, a good feat for a Furnace upon the North Branch of Potomac in Hampfhire county, with plenty of ore already inveftigated at confiderable expence and found to be good, a conftant and fufficient ftream with upwards of 30 feet fall, and the wood of more than 9000 acres of well timbered land; enough of which is arable to form a complete eftablifhment. Connected with this may alfo be rented the forge built by Mr. John Potts at the Great Falls of Potomac, now the property of the fubfcriber. It is conceived that thefe two feats are particularly worthy of the notice of Iron Mafters of capital; as they are fully adequate to the fupply of iron, in its various forms, to an extenfive country, having great demand for that article, both above and below the Blue Ridge. The Hampfhire property is free from every incumbrance, and the payment of a very few thoufand dollars due, to the proprietor of the fee fimple at the Great Falls (my leafe of which is for upwards of 900 years at a low rent) for rents in arrears prior to my purchafe, will render this property clear; and afford a complete eftablifhment for all the various manufactures of Iron, as well as for mills, with a convenient farm, &c. &c.

I have feats equally eligible (if not fuperior) for furnace and forge, upon the river Shanandoah in this county, with ore, wood, and water, all convenient and abundant: which may be rented for a long term of years, with rich farming land attached thereto.
