TO THE

*NORTH CAROLINA*

## GOLD MINE COMPANY.

WITHIN these few days the following certificates have been received in the city of Washington, relative to the lands deeded to the North Carolina Gold Mine Company.

This may certify to whom it may concern, that I Jacob Watts of Montgomery county, in pursuance of a request of John K. Carson, did take a pan and make search for gold in one of the runs, viz. Rock-Hole, on the lands formerly the property of Thomas Carson, deceased, and in the course of half an hour, out of the loose gravel did take a quantity of particles of pure gold, which I have delivered to said Carson, supposed to be worth the half of a dollar or more.

Witness my hand.

JACOB WATTS.

J BROOKS, J. P.

WE, the subscribers hereunto, do certify to whom it may concern, that we have examined several of the runs, on the lands lately the property of col. Thomas Carson, deceased, agreeable to the request of Mr. Carson, for the purpose of finding gold, and in those that we have had an opportunity of examining, we have never failed to find particles of gold of the pure virgin kind (as found in the mines of Reed, Phyfer and Co. in this neighborhood.) We never have had an opportunity of making any more than a mere superficial search, for the want of conveniencies, having no way to make the same, except with a pan, and the top gravel being all we could come at; but do suppose, from our knowledge of the other mines in this vicinage, that to produce considerable quantities, that if those branches were as well worked, they would turn out to advantage. We have not had an opportunity of searching any of the branches or creeks of said lands except those immediately in our neighborhood, as the lands belonging to the estate of the said deceased (or which formerly belonged thereto) extend a considerable distance down Rocky river, betwixt that and the Yadkin, interspersed with a number of creeks and branches, in which the probability of finding gold is as great, by reason of a mine belonging to the widow Parker and heirs being on the opposite extreme, which has produced much pure gold. The said lands produce most excellent grass range for stock, & that which was purchased of said col. Thos Carson, by different persons, in different parts of the same land, and has been properly cultivated, has been found to answer for the production of the different kinds of produce of this country, as well as other lands in this neighborhood. The produce of this part of the country consists of cotton, corn, wheat, and the different small grains, & some tobacco; the growth on said lands is the same with the common growth of the country here, viz. oaks, hickories, pines, &c &c.

In testimony of which, we have hereunto set our hands in presence of John Brooks, esq. one of our justices of peace for this our county of Montgomery.

*Elias Horn*, Cucumber Creek,

*Thomas Croton*,
*Moses Osborn*,
*Jacob Watts*,
*Thomas Black*, one of the head branches of Rock Hole creek.

I do hereby certify, that the subscribers above, did of their own accord and free will, sign their names in my presence to the foregoing instrument:—I do further certify, that they are all citizens of the county, and gentlemen of my acquaintance, in whom confidence may be placed; and further, that the matters contained in the aforegoing certificate are facts that have come under my own knowledge and observation, and therefore do assert them as facts.

*J Brooks, J.P.*

State of North Carolina, }
Montgomery county, }

(L. S.) I do hereby certify, that the within named John Brooks, esq is one of the acting justices of the county aforesaid, and due credit ought to be paid to his signature as such.

Given under my hand and the seal of our said county. Done at my office, the 24th day of March, Anno Domini, and in the 30th year of the independence.

*John Davidson, C. C. C.*

The following is extracted from a letter written by Mr. Richard Brandon, of Concord North Carolina.

"In the widow Parker's mine they have picked up a pint of gold within three or four weeks. I saw the greatest part of it myself, one piece weighing nearly two ounces and a half perfectly clear of sand & dirt. Mrs. Parker will mention no price at which her land may be purchased. From Parker's I travelled towards Mr Reed's mine, attentively observing every branch. They every one appear to contain gold, and in my opinion some of them equal either Reed's or Parker's. A Mr. Gray in this route, informed me, that in an evening shortly before, he took his mattock and pan, went to a branch and in a little time found to the amount of several pennyweights. The tract of country I was informed belonged to the estate of the late col. Thomas Carson, deceased."

We, the subscribers, being appointed by William Thornton, of the city of Washington, the trustees of certain lands in the state of North Carolina, for the use of the North Carolina Gold Mine Company, having duly examined the original grants from the said state of North Carolina to different individuals, and the titles derived from them to the said Wm. Thornton, and the title also granted by him to us, as trustees, do hereby certify to whom it may concern, that we are perfectly satisfied with the validity and goodness of their different conveyances, amounting to not less than 35 000 acres.

In witness whereof, we hereunto set our hands and seals, this 4th day of February, 1806.

THE subscriber offers for sale the farm he now occupies, containing near 300 acres with or without the stock thereon.

It is distant from the cities of Georgetown and Washington, about five miles, and well known as a healthy situation. There is much fine fruit thereon, and abounds with springs, affording as good water as in the United States, a considerable proportion of the land has been in clover, and from thirty to forty acres fit for the scythe the ensuing summer. It is now in a very improving state, being altogether clear of broom sedge, and from 40 to 60 acres ploughed and prepared for a spring crop, and from 30 to 40 acres well set with wheat and rye—some part of the land is calculated for tobacco; and plaster of paris answers well with it all. The dwelling house and other improvements may with small repairs be rendered very comfortable—From its vicinity to two growing cities many advantages result in supplying the markets. A purchaser may calculate on a good bargain, particularly if an early application be made. Some part of the purchase money will be required in cash or approved negotiable paper: the remainder rendered easy—or negroes received in payment. The subscriber or William Searfy residing on the farm will shew it when required, and the terms made known by application to *Mr. John Thompson*, George Town, or Dr. WM. THORNTON, Washington.

## CHASE'S TRIAL.

*This day is Published*

*By SAMUEL H. SMITH.*

*TRIAL*

OF

SAMUEL CHASE,

AN ASSOCIATE JUSTICE *of the Supreme Court of the United States,*

IMPEACHED

By the House of Representatives, for HIGH CRIMES AND MISDEMEANORS, before the *Senate of the United States.*

*Taken in short hand,*

*By SAMUEL H. SMITH & THOMAS LLOYD.*

In Two large Octavo Volumes—in Boards, price—to subscribers four dollars and a half—and to non subscribers five dollars.

A much greater delay has been incurred in the publication of this trial than the Editor contemplated. He has, however, the satisfaction of saying that no effort has been omitted by him to give it to the public at an earlier period. The delay has arisen from the revision of the speeches of the Managers and Counsel. The publication might long since have been made in a less perfect dress; but it was deemed highly desirable that in a case, which, independently of its own importance, might be a precedent in future times, to sacrifice time rather than precision. The work now appears before the public with the expectation of the Editor that it will be considered as meriting the character of an impartial, comprehensive and faithful statement of facts. All the speeches have been revised, and inserted at length, in connection with whatever else formed a part of the trial.

Editors of other prints will confer a benefit by inserting this advertisement a few times in their papers.

March 24—

TWENTY DOLLARS REWARD will be given for apprehending and securing so that the owner may get her again, a likely negro girl named ANN, about twenty years of age—of dark complexion, large eyes of rather a down look—& of middle stature. She absconded from George-Town about four or five weeks ago. She formerly belonged to John Brent, Esq. near Port-Tobacco, in Charles County, state of Maryland. She took with her sundry articles of wearing apparel, among which were a black silk short gown, and a red pink ditto. She appears, when spoken to, diffident and unassuming. The above reward will be paid if she is taken out of this district, and ten dollars if taken in it.

GEORGE GLOYD, one of the Constables of George town.

## IRON WORKS

*ON POTOMAC.*

The Subscriber has for Sale or Rent, a good seat for a Furnace upon the North Branch of Potomac in Hampshire county, with plenty of ore already investigated at considerable expence and found to be good, a constant and sufficient stream with upwards of 30 feet fall, and the wood of more than 9000 acres of well timbered land; enough of which is arable to form a complete establishment. Connected with this may also be rented the forge built by Mr. John Potts at the Great Falls of Potomac, now the property of the subscriber. It is conceived that these two seats are particularly worthy of the notice of Iron Masters of capital; as they are fully adequate to the supply of iron, in its various forms, to an extensive country, having great demand for that article, both above and below the Blue Ridge. The Hampshire property is free from every incumbrance, and the payment of a very few thousand dollars due to the proprietor of the fee simple at the Great Falls (my lease of which is for upwards of 900 years at a low rent) for rents in arrears prior to my purchase will render this property clear; and afford a complete establishment for all the various manufactores of Iron, as well as for mills, with a convenient farm, &c. &c.

I have seats equally eligible (if not superior) for furnace and forge, upon the river Shanandoah in this county, with ore, wood, and water, all convenient and abundant: which may be rented for a long term of years, with rich farming land attached thereto.
