This lottery has been authorised by the legislature of Virginia, for the laudable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer, a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce a rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it——which it is believed will be on the second Monday in December next.
