PETER EROS

November 3, 1977

Dear Danny,

many-many thanks for what you have done for my orchestra and also for the most entertaining evening I've ever had since I am in this town.
It has been a privilege to have met you, your great humanity and genuine kindness did very deeply impress me.

I would be honoured to see you again, and hope there will be an opportunity.

With my warmest, best wishes,

Yours

PE
