subscriber's farm near this city about two weeks past, a light BAY MARE, long tail, has never been docked and has no white mark about her except a small white snip on her nose.

She is a thorough bred mare and was put last season by John Mason, Esq. of George Town, to the Dey of Algiers, who stood at the farm of Mr. Charles C. Jones, whither she may have probably gone, if not stolen———A liberal price will be given to any person who will secure her so that I get her again.

Washington, 16 May—5t.

At a meeting of a number of democratic republicans at the city of Annapolis, on Friday the 20th day of April, 1804, GASSAWAY WATKINS having been chosen chairman, and NICHOLAS BREWER, secretary, the following resolutions were entered into and ordered to be published in the National Intelligencer, Maryland Gazette, and American.

WHEREAS this meeting have seen published certain resolutions entered into by a meeting of republican citizens of Prince George's county, at Upper Marlborough, on the 10th instant; and whereas this meeting highly approve of the principles contained in said resolutions, and believe that the adoption of similar measures in Anne-Arundel county would tend to secure the election of democratic republican characters as electors of President, and vice-President, member of congress and delegates to the general assembly.

Resolved, That it be recommended to the democratic republicans of Anne-Arundel county to meet at the places of holding elections for their respective districts, on the 26th of May next, and appoint five delegates to meet in general committee, at the city of Annapolis, on the 16th of June, to fix on proper characters to be supported as delegates to the next general assembly.

Resolved, That the general committee to be thus selected, when assembled as aforesaid, determine on four characters whom they may consider best calculated to unite the democratic republican interest of this county as candidates at the next election of delegates, and this meeting pledge themselves to support the characters that may be designated by the committee aforesaid.

Resolved, That it be recommended to the general committee aforesaid, when thus assembled, to appoint a committee of their own body to consult with any similar committee that may be appointed by Prince George's county, on the proper character to be run as representative in the next congress of the United States, and this meeting in like manner pledge themselves to support any character that may be fixed upon by such general committee of the two counties.

Resolved, That it be recommended to the aforesaid general committee of Anne-Arundel county, to appoint a select committee of their own body to consult with any similar committees of Baltimore city, and that part of Montgomery county composing the electoral district, on the proper characters to be brought forward as electors of President, and Vice President, and this meeting in like manner pledge themselves to support the characters that may be thus designated by the committees of this electoral district of President and Vice-President.

This lottery has been authorised by the legislature of Virginia, for the laudable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer, a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce a rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it——which it is believed will be on the second Monday in December next.
