Treat Em Nice Girls
(Treat Em Nice)

Words and music By John Mackay

You can hear the tramp of the marching feet thru out the U-S-A. The
They have been in France for a year or two They've had some awful fights

Boys are coming home again vic-
But now they're home they want to for

tor vis from the fray They've done their share While over there and
get those awful sights A little joy for a Yankee boy Will

now they'll want some fun. So girls now get to-gether Try to give them
keep him fit and fine. So girls now do your duty Give them a good

some time. Treat em nice girls treat em nice Every little

miss. Shouldn't miss a little kiss. For a soldier boy so brave the French girls

may be fine but for a good old Yankee girl they'll leave them every

time. So. Every one get ready and grab herself a steady Treat em

nice girls treat em nice.
