Travellers Hall.

THE subscriber has lately been induced from the rapid increase of his custom to purchase a lot of ground adjoining that on which he lives for the purpose of building a dining room and assembly room, each 54 feet by 32 feet 10 inches with six additional lodging rooms, and intends to finish them before the ensuing winter; which together with his tavern and house will occupy a front of near one hundred feet in the most agreeable part of the town and in the center of business being on the highest part of the public square.

He has considerably increased the furniture &c. of his houses and stables. His domestics and servants are of the most faithful dispositions and properly qualified for the departments to which they are assigned. He has a constant supply of the best stable forage; imported and country provisions, imported liquors, &c. of the first quality, foreign newspapers, &c. And his ice will most probably last through the hot weather.

The distinguished preference which the first characters have already given him, fills him with gratitude. He offers his sincere thanks to all his good friends and begs leave to assure them that neither his time nor his purse shall be spared in attempting to render the Travellers Hall a house of entertainment, for GENTEEL GUESTS ONLY, equal to any in America.

This lottery has been authorised by the legislature of Virginia, for the landable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer, a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce a rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it——which it is believed will be on the second Monday in December next.

Valuable Lands for Sale.

By order of the court of Calvert county, will be exposed to Public Sale the following lands, the property of the heirs of captain Walter Smith, deceased.

ON Monday the 20th day of August next, will be sold on the premises the plantation on which the said capt Walter Smith formerly resided, containing by actual survey, 1225 1-8 acres of land lying adjoiningon Patuxent river, bounded on the south west by the said river, on the east by a fine navigable creek, called Saint Leonard's creek, so that one and a half miles of fencing will inclose the whole land—The soil of this land is equal if not superior to any on Patuxent, either for farming, planting or grazing, and in their season the greatest plenty of fine fish and oysters may be had either from the river or creek—A great part of the above land is covered with Red Cedar, fit for posts or fencing.

On Tuesday the 21st on the premises, will be sold one other plantation in the Forrest at about two miles distance from the former containing by survey 627 and one half acres of land, the greatest part of which is covered with hickory, chesnut and oak wood, and a great proportion of swamp land, which at a trifling expence might be converted into valuable meadow, belongs to this land.

On Thursday the 23d on the premises, will be sold one other plantation lying adjoining on Chesapeake Bay, bounded on the north east by the said bay, on the north by a creek called Parkers creek, containing by survey 536 1-2 acres of land, on this land there are a good proportion marsh and meadow land and a great abundance of fine timber.

It is thought needless to give a fuller description of the above lands, as it is presumed that those who wish to purchase will view the lands previous to the day of sale—and on application to Mr. John Turner who resides near the two first mentioned tracts; they may see the platts of the different tracts of land, and will shew the lands contiguous to him; and Mr. Richard Hance who resides on the last mentioned tract, will shew the outlines of the same to any person wishing to view it.

The above lands will be sold either in the whole, or be divided into parcels as may appear most advantageous for the heirs. The purchasers to give bonds with approved securities for the purchase money, to be paid in three annual payments, the interest to be paid yearly, and on the ratification of the sale by the court, and a full payment of the purchase money and interest thereon a deed of conveyance will be executed to the purchaser agreeably to an act of Assembly in such case made and provided, by

PROPOSAL,
For printing by Subscription,
Miscellaneous Poems,

BY MRS. ALLEN,
Consort to the Rev. Mr. Allen of Harford county,
Written before her marriage.

—CONDITIONS—

THE book to be printed with a clear type, and fine paper, in a duodecimo volume; and delivered to the subscribers neatly bound, price Three quarters of a Dollar, half to be paid on subscribing and the residue on delivery of the book—which will be put to press as soon as three hundred copies shall be subscribed for.

Subscriptions received by Mr. Matthew Carey, Philadelphia—by Messrs. Warner and Hanna, Baltimore, and by the principal booksellers in those cities, also by Mr. Samuel Harrison Smith, Washington city.

Dr. Jacob Hall, of Harford county, of known literary character, to whose inspection these Poems were submitted, in a letter to the author, expresses his opinion of them, as follows:

MADAM,

I have been honored and gratified with the perusal of your manuscript copy of Poems. In my opinion it is a work of considerable merit, and displays true piety and poetic genius. The pastoral dialogues are commendable for their novelty, simplicity and beauty. The elegies, epistles, and especially the "Man of Misfortune," a Moral Tale, an interesting and pathetic. The Odes and Fugitive Pieces are sprightly and amusing—And the whole composition seems to breathe such a spirit of philanthropy and benevolence as cannot fail to elevate the affections, and to mend the heart—And it is to be regretted, that the author's modesty has hitherto denied the community so refined & elegant an entertainment.

Your Friend, &c.
