WILL be given for apprehending and securing in jail a young Mulatto man slave named ANDREW. 60 DOLLARS REWARD.

RANAWAY from the subscriber living in Prince George's county on Sunday the 29th inst the three following slaves—a mulatto young man who calls himself BILL STEWART, he was born at Montgomery court house, was once the property of Honore Martin, was purchased of him by the late Rich. Contee who sold him to me; he is a likely well made fellow about 21 years of age, 5 feet 10 inches high, his hands and feet are large; the evening before he absconded he had his hair cut close; he had with him a variety of clothing, viz. 1 blue coat and overals, one light colored bearskin coat and overalls, 2 swansdown waistcoats, 3 fine Irish linen shirts and some coarse shirts, three muslin neckcloths, a fine hat, price 7 dollars; he took away a prayer book, in the first page of which is written Mary Duckett.

JOE who calls himself Joe Grimes, alias Graham, and HARRY, both young negro men about 21 years of age—the clothing of these cannot be described. Joe has one of his arms broken near the wrist, which makes it longer than the other; when he is spoken to he speaks fast as if his tongue was too large for his mouth. Harry, I am informed, has several large scars on his body and one of his thighs occasioned by burns when he was young.

The above reward will be paid for confining the three in jail, or 50 dollars for confining Bill in jail so that I get him again.

PRIVATE ACADEMY.

DURING the ensuing year the Rev. G. H DEVENISH will resume and pursue the professional instruction of youth at the SWEET SPRINGS. The extreme healthiness of the situation, the cheapness of boarding, the total exclusion from every opportunity or incitement to dissipation, and the singular advantage it enjoys of being visited by a number of literary characters, capable of inspecting and superintending its management; render this amongst the most eligible situations in Virginia for an institution of this nature, and are among the principal reasons which have induced him to make choice of this most delightful and advantageous place, as the seat of his seminary.

His course of instruction will be divisible into two parts; the first part will comprehend English Grammar, Geography with the use of the terrestial globe and maps, Elocution, Arithmetic, Book-keeping, Euclids Elements. The greatest attention will also be paid to the Dead Languages, where it may be the desire of parents or guardians—the second part will comprehend Logic, Political economy, History, Composition and Ethics. It is his most anxious wish that a majority of his pupils may be composed of boys from nine to fifteen years of age, who will be continued under his direction until they shall complete the course.

Under these circumstances he flatters himself, that it would be in his power to render permanent and substantial services, and to inspire his pupils with a love of virtue, knowledge, and a predilection for manly, useful, and honorable sentiments and pursuits, which would not exert a predominant influence over their future happiness and usefulness in life. He wishes to receive from 20 to 25 pupils. His charge for tuition will be 10 DOLLARS per quarter paid in advance, for boys under 15 years of age, and 12 DOLLARS and a half per quarter in advance; for boys over that age.

His charge for board, washing, candles and fire (the fees of tuition not included) will be 30 DOLLARS per quarter paid in advance, for boys under 15 years of age, and 22 1 2 DOLLS. per quarter paid in advance, for boys after that age. Each boarder must furnish his own bed, or be subjected to an additional charge of 7 DOLLS. per annum, payable as above, in case of having it furnished. Parents who may wish to place their children under his direction, will make application to Messrs George and Robert Turner, Richmond, or to the subscriber at the Sweet Springs, Monroe county.

G. H. DEVENISH.

N. B. The Academy will go into operation the 1st Monday in February 1807. The hours of public tuition in this seminary will be from 9 o'clock every morning (Sundays excepted) till 1 o'clock, and again from 3 to 5 o'clock in the afternoon. No vacations that can possibly be avoided will be allowed, Mr. D. conceiving them to be equally injurious to the morals of the teachers and pupils.
