Now that the big war is o --ver,..... Our

boys in France will re-turn.....Have you ev - er thot it o - ver,...The

things for which they'll yearn..... ..-------- When they re-turn will They

find us ..... Will-ing to give them their due ..... Or when they re-turn must they

CHO.

mind us? The an-swer's up to me and you..... Don't let them find us un-

grate-ful,For the Hell that they've been thru.....Don't let our ac-tions make them

hate - ful ,To-ward their coun-try and me and you;..... .Give them

back all the things that they gave up, When they went to join the fray... Girls give

them all the kiss-es you've saved up ....For them while they've been a-way...
