CENTREVILLE ACADEMY.

On the second day of January next an academy will be opened in this place for the reception of students under the direction of the Rev. Mr. SNYDER, assisted by one or more Ushers.

This Gentleman has conducted different Academies for the space of several years past, with great credit; his department is consonant to his station, and to the accomplishments of the scholar he adds the happy facility of exciting in his pupils the symptoms of literary genius, and to cultivate their mental improvements.

In this institution will be taught the Latin and Greek Languages; the English Language grammatically; Geography, History, Elocution; the various branches of the Mathematics; Writing; Arithmetic and Book Keeping.

There are few places in our country more advantageously situated for an institution of this nature, than this. Its situation is very elevated and the air salubrious; and in the centre of a remarkably healthy neighborhood; the necessaries of life are cheap and may easily be procured. The strictest attention will be paid to the morals of the students both in and out of school.

The terms of tuition will be; for the Latin and Greek Languages, including Geography, &c. 25 Dollars; for the Mathematics 20 Dollars; for Reading, Writing, and Arithmetic, 14 Dollars per annum, paid quarterly in advance. A small contribution will be required from each pupil for the purchase of fire wood.

Conformably to an order issued from the hon. court of Calvert County at September term last, the subscribers will offer at public Auction on Tuesday the 4th day of February next, if fair, if not the first fair day thereafter, at the late residence of Nathan Smith deceased, at the hour of 12 o'clock

A valuable Tract of Land

containing Four Hundred and Fourteen acres, and Fourteen Perches.—This truly fertile spot may justly be ranked as first rate land, the soil being extremely rich, capable of producing wheat, hemp, flax, clover, timothy, Indian corn and fine tobacco; the greater part of this beautiful place lies extremely level, and we should do injustice to it, did we neglect to say that few places are equal and none can excel it; the improvements are convenient and in tolerable repair, and as it is presumable those who are inclined to purchase will view the premises previous to the day of sale, it renders a full detail of the improvements unnecessary. This place lies within four miles of Nottingham and about six from Pig Point, has a sufficiency of timber and wood to support it, a tolerable apple orchard, with other fruit trees.

The terms of sale are, that bond and approved security will be required, on the day of sale, payable in two equal payments, the first in twelve, and the second in eighteen months, with yearly interest on the purchase money unpaid, the sale to be subject to the ratification and confirmation of the court, and upon the whole purchase money and interest being paid (and not before) the purchaser or purchasers will receive an indisputable title to the premises so bargained and sold. Possession will be given on the day of sale. This land will be sold altogether or in lots as may appear most conducive to the interest of the representatives.

Twenty Dollars Reward.

AARON, a mulatto man about 43 years old, left the city of Washington early in October, and was seen on the road leading from Alexandria to Leesburg in company with a black woman, who I am informed is the property of some person in the vicinity of this place—he is about 5 feet 10 inches high, has strait hair, very bald in one of his eye brows (I think it is the left) near his nose, there is an indented scar occasioned by a stroke he received, which fractured the bone in that place, and whenever he has it in his power never fails to drink to excess. It is probable that he has gone to Jefferson or Berkley county in Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky. The above reward will be paid to any person who will have him committed to jail, and give information thereof to the subscriber in George Town, district of Columbia.

FOR SALE,

IN the county of Albemarle Virginia, 971 acres of land lying on both sides of Hardware river, generally adapted to small grain corn and tobacco with a great abundance of meadow land. About four hundred acres are cleared most of which are low grounds; and it is perhaps capable of the highest improvement of any land in this part of the world by having an inexhaustible source of rich mud or soil that has been accumulating for ages. The situation is fine, healthy, convenient to two tobacco warehouses, the court house and several merchant mills and in a very respectable neighborhood. Hardware river is capable of being made navigable into James river from seven miles above this tract or where there is an act of assembly. There is on the land a large two story dwelling house, almost new and other convenient houses—at about half a mile from which, there is also an old dwelling house, kitchen and store house, that may be made with some repairs capable of accommodating a genteel family. There is also on the premises between 90 and 100 000 bricks well burnt which will be disposed of on reasonable terms. The payments required will be one third cash and the remainder at two equal annual instalments. Any person wishing to purchase or view the said land will apply to the subscriber living on the premises.
