Pres-i-dent Wil-son wants peace and free-dom for-ev-er-more;
Spread the good news of peace and free-dom, May it ring from shore to shore,

mf

No more fight-ing and blood-shed on an-y shore. He be-
In hon-or of our brave young lads who fought and won the war. For

lieves in un-i-ty and dem-oc-ra-cy on land and sea;
man-y to-day are sleep-ing up-on a for-eign shore, And

Peace and good will toward men, that is his plea.
sad are the hearts of the moth-ers, who will see their sons no more.
