PROPOSAL,

By JOSEPH MILLIGAN,
George Town,
For publishing by Subscription,
ADELINE MOWBRAY;
OR
THE MOTHER & DAUGHTER.
IN TWO VOLUMES.
By MRS. OPIE.

CUSTOM, and perhaps propriety, have rendered it necessary to bespeak the favorable opinion of the public to a new book; but the writings of Mrs. Opie have long held such an undisputed claim to excellence, that nothing more seems necessary than to point out the leading object of the present very interesting tale, to recommend it to general patronage.

Those who have attentively read the writings of Mr. Godwin, well know, that however correct his abstract positions, and however logical his deductions may be—still they are, in many instances, by no means suited to the actual state of society. His opinions on the matrimonial engagement would, if generally adopted, infallibly destroy those bonds which are at once the most efficacious restraint upon licentious passion, and the best, nay the only security for domestic happiness. To counteract his fatal theory appears to be the principal design of the work now offered—in which the characters are so well supported, the incidents arise so naturally from the situations in which they are placed, the reasoning is so perfectly just, the whole narrative so beautifully pathetic, and the impression which it is calculated to produce on every ingenuous mind, so favorable to the cause of morality, that the publisher confidently anticipates its meeting the same universal applause in this country which it obtained in England.

CONDITIONS.

To those who may subscribe before the first of October next, the price will be seventy-cents per volume, in boards, after which it will be advanced to eighty-seven and a half cents per volume.

ON application to me the subscriber in the recess of the court as chief judge of the first judicial district of the state of Maryland by petition in writing of *Henry Addison Callis*, of Prince Georges county, praying for the benefit of the act for the relief of sundry insolvent debtors, and the several supplements thereto on the terms mentioned in the said acts—a schedule of his property and list of his creditors on oath as far as he can ascertain them, being annexed to his petition; and the said Henry Addison Callis, having satisfied me by competent testimony that he has resided in the state of Maryland two years immediately preceding the time of this application; having also stated in his petition that he is now in actual confinement for debt and not on account of any breach of the peace or for the non-payment of any fine, or penalty for the breach of the laws of this state or of the United States, and having produced to me the certificate of the Sheriff of Prince Georges county to that effect, and having prayed to be discharged from confinement on the terms prescribed in the said acts, and having given security for his personal appearance at the next county court to answer any allegations that may be made against him by his creditors. November 27—tf

To holders of NON-RESIDENT LANDS, within the state of OHIO.

WELL knowing that many gentlemen, non-residents of this state, and who own lands within it, and particularly those who hold it within the *Virginia Military District*, are subjected to many inconveniences and impositions by men in this state; and, upon a particular examination at the books in the Auditor's office, of this state, I discover that many gentlemen holding lands within the above mentioned district, have, from a non-payment of the taxes due thereon, subjected them to be sold for the taxes so due, by the collector of the taxes on non-resident proprietors lands for said district. And it frequently happens that the purchaser at such sales will not relinquish his title to the original owner, under one-fourth of the real value of the land.

From the circumstances above mentioned, and many more that might be recited of equal if not greater importance to land holders, I am now prompted to come forward and offer my services to such gentlemen, as an agent to superintend the payment of their taxes, the redeeming of their lands sold by the collector, mentioned above; and also for the selling of any lands which they may wish to sell, which business I will transact on moderate terms; much more so than those on which many within the compass of my knowledge have their business of that nature transacted.

Any gentleman who shall think proper to entrust to me the management of his business, may be well assured that entire justice will be done him.

As I reside with the Auditor of this state, and have always access to his books, I have every opportunity of ascertaining the precise situation of any lands within the state, which are subject to taxation, and as I am not engaged in any land speculations, will have no inducement to withhold correct information.

By an act of the last session of the legislature of this state, the rate of land tax was raised to the following rates, viz *First rate 100 cents, Second rate 75 cents, and Third rates 50 cents per 100 acres.* And under the said act, all lands which are hereafter sold for the payment of taxes, may be redeemed by paying to the purchaser thereof, 100 per cent, and interest on the purchase money and costs: Provided such redemption shall take place within one year after the purchase.

All lands subjected to taxation within this state, & which shall not be paid between the first day of August past, and the first day of December next, will, as has always been customary, on that day, be offered for sale for the taxes due thereon.

Any letters on the above business, postage paid, will be strictly attended to, by
