Lillian Russell's OWN SMOOTHOUT CREAM

—it velvetizes the Skin

"Like a dash of invigorating surf on a languid Summer's day is the cooling, soothing touch of my *Smoothout* Cream to the muscles and tissues of a tired face.

"*Smoothout* Cream is almost magical in its power to restore and preserve the youthful freshness of skin texture by preventing wrinkles and smoothing out those already formed.

"*Smoothout* liquefies as soon as it touches the cheeks, is absorbed by the pores and cleanses the skin of all its impurities. Its gentle astringent properties refine enlarged pores. It fortifies the skin against sun and wind-burn irritations.

"Every woman needs *Smoothout* every day—*it velvetizes the skin* and is astringent enough to be an excellent foundation for powder."
