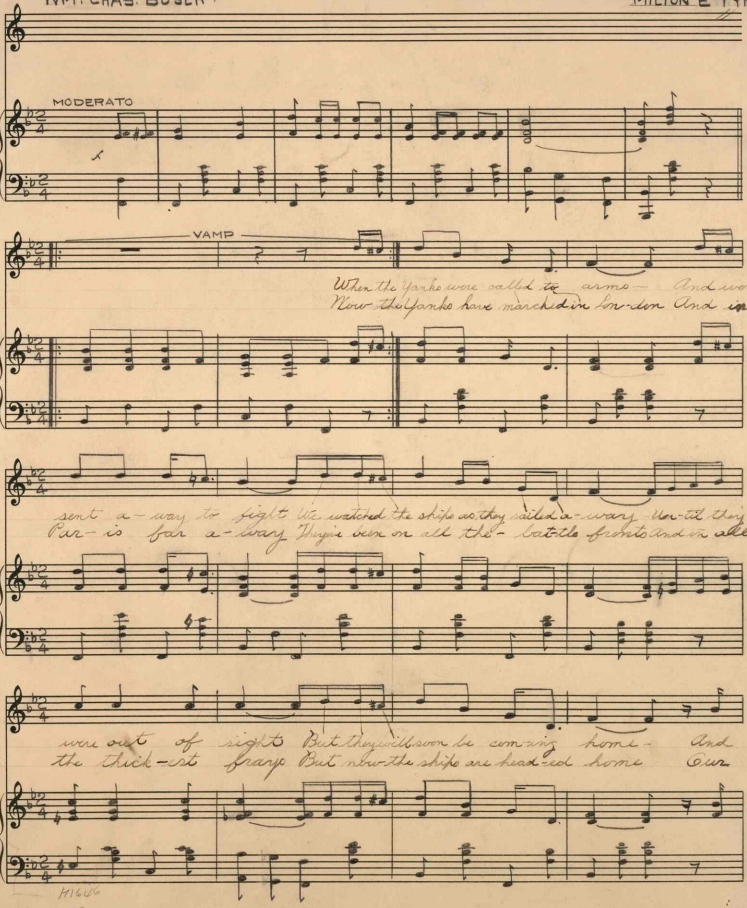
WORDS BY
WM. CHAS. BUSER

MUSIC BY
MILTON E TYNER



H1666

Nr. 10. — Carl Fischer, New-York.
Made in Germany.

com-ing home to stay — Ev-ry one will be — wait-ing just to
Haz a-cross their bow And I think that some have landed for I

hear some-bod-y say
hear them com-ing now

CHORUS

Here they come march-ing side by side All keep-ing step with the

reg-u-la-tion stride Guns on their shoul-ds All with a smile

Swinging a-long in the good old Yan-kee style Flag of — vict-ry

wav-ing in the street Left right left right hear their tramp-ing feet

Greet them like the sold-iers in the ear-ly days of Rome When the Yanks come march-ing

march-ing home home.
