A BARGAIN.

THE subscriber offers for sale the farm he now occupies, containing near 500 acres with or without the stock thereon.

Its distant from the cities of Georgetown and Washington, about five miles, and well known as a healthy situation. There is much fine fruit thereon, and abounds with springs, affording as good water as in the United States, a considerable proportion of the land has been in clover, and from thirty to forty acres fit for the scythe the ensuing summer. It is now in a very improving state, being altogether clear of broom sedge, and from 40 to 60 acres ploughed and prepared for a spring crop, and from 30 to 40 acres well set with wheat and rye—some part of the land is calculated for tobacco; and plaster of paris answers well with it all. The dwelling house and other improvements may, with small repairs, be rendered very comfortable—From its vicinity to two growing cities many advantages result in supplying the markets. A purchaser may calculate on a good bargain, particularly if an early application be made. Some part of the purchase money will be required in cash or approved negotiable paper: the remainder rendered easy—or negroes received in payment. The subscriber or William Searfy residing on the farm will shew it when required, and the terms made known by application to *Mr. John Thompson*, George Town, or Dr. Wm. Thornton, Washington.

Isaac Polock,

Fruit Hill,

Some Lands calculated for the culture of cotton, Indian corn and small grain, situated on a navigable river in the healthiest part of the state of Georgia, will also be sold on reasonable terms or exchanged for negroes

CHASE'S TRIAL.

This day is Published

By SAMUEL H. SMITH.

TRIAL

OF

SAMUEL CHASE,

AN ASSOCIATE JUSTICE *of the Supreme Court of the United States,*

IMPEACHED

By the House of Representatives, for HIGH CRIMES AND MISDEMEANORS, before the *Senate of the United States.*

Taken in short hand,
By SAMUEL H. SMITH & THOMAS LLOYD.

In Two large Octavo Volumes—in Boards, price—to subscribers, four dollars and a half—and to non subscribers five dollars.

A much greater delay has been incurred in the publication of this trial than the Editor contemplated. He has, however, the satisfaction of saying that no effort has been omitted by him to give it to the public at an earlier period. The delay has arisen from the revision of the speeches of the Managers and Counsel. The publication might long since have been made in a less perfect dress; but it was deemed highly desirable that in a case, which, independently of its own importance might be a precedent in future times, to sacrifice time rather than precision. The work now appears before the public with the expectation of the Editor that it will be considered as meriting the character of an impartial, comprehensive and faithful statement of facts. All the speeches have been revised, and inserted at length, in connection with whatever else formed a part of the trial.

Editors of other prints will confer a benefit by inserting this advertisement a few times in their papers.

He is reckoned to be a sensible fellow of an easy agreeable address for a man in his low sphere of life. As he has not been heard of by me since his elopement, I suspect he has had the address to ship himself as a freeman on board some vessel either at Alexandria or Baltimore. Whoever takes him up and secures him in jail shall receive from me the above reward, or as soon due information thereof is given to me or to Dr. N. P. Causin at Port Tobacco
