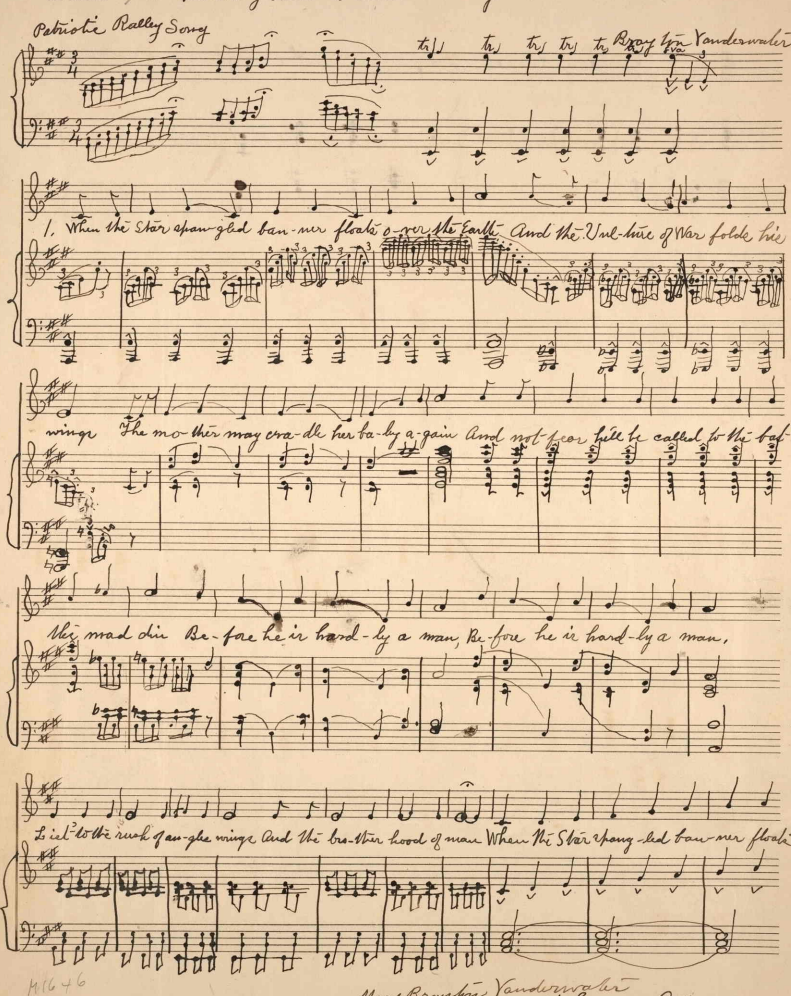
When The Star Spangled Banner Floats Over The Earth,
and
Humanity Then is Crowned King.

Patriotic Rally Song

Bray ton Vanderwater.

1. When the Star span-gled ban-ner floats o-ver the Earth And the Vul-ture of War folds his wings The mo-ther may cra-dle her ba-ly a-gain And not fear he'll be called to the bat-tle mad din Be-fore he is hard-ly a man, Be-fore he is hard-ly a man,



Lis't to the rush of an-gle wings And the bro-ther hood of man When the Star spang-led ban-ner floats

2.

When the Star span-gled ban-ner floats o-ver the Earth
The Nations most small shall cry out
And laugh in their safety and freedom with glee
Ever happy and gay as the glad in their play
:In their work as the glad in their play:

3

When the Star spangled banner floats over the Earth
The men great and small shall converse
To assert love and justice alike to all men, And peoples of every kin, every kin
:For Humanity then shall be King:

4

When the Star spangled banner floats over the Earth
And Humanity then is crowned King
The Saviour Himself shall bend low from the skies
And proclaim "Peace on Earth and Good will" once again
:For Humanity then shall be King:

5

The mother may cradle her baby again
And the ship unmolested shall sail
And the time of earth shall break forth in glad song
When Humanity reigneth our King, Reigneth King
Ah! Rejoice! Ah! Rejoice with great joy
When Humanity reigneth our King.
