FIVE HUNDRED DOLLARS REWARD.

Treasury Department, May 28th, 1808.

IT has recently been made known to this department, that on the first day of June, 1807, the first moieties of the under-mentioned notes of the bank of the United States, were enclosed by William Keais, Esq. Collector of the Customs at Washington, North Carolina, in a letter addressed to Thomas Tudor Tucker, Esq. Treasurer of the United States, and put into the Post-office at that place; and on the 8th day of June, 1807, the second moieties of the said Bank notes were enclosed, addressed and put into the Post-Office as aforesaid: neither of which letters, with the notes enclosed, have been received. On the back of each moiety of every note was written the name of William Keais, and on one part of the back of all or of most of the notes, was written the name of Lewis Leroy; from which circumstance the notes may with certainty be traced and detected. Payment of the notes has been stopped at the Bank of the United States and its several offices of Discount and Deposit; and a reward of FIVE HUNDRED DOLLARS will be paid to any person who shall give such information to this department, as shall produce the conviction of the offender by whom the letters containing the said notes were purloined or stolen.

ALBERT GALLATIN, *secretary of the Treasury.*

TO RENT,

AND possession given the 13th June next, that house on Pennsylvania Avenue, the property of the Washington Building Company, at present occupied by Mr. *Solomon Myers*—it being so well known, it is not deemed necessary to give a peculiar description of it, suffice it to say, it is calculated for an extensive tavern and boarding house—for terms, apply to

Mr. THOMAS HERTY. Sec. to said Company.

April 29—tf.

ONE HUNDRED DOLLARS REWARD.

RAN away on the evening of the 7th inst. *a bright Mulatto Man*, named *BOB*, who calls himself *Robert Thomas*, about 5 feet 10 inches high, 24 or 25 years of age, has large black eye-brows, large full eyes, not very dark, and is a stout, well made, handsome fellow. His hair is thick, but not quite straight, and he wears it nicely trimmed, combed and ridged on the top. His beard appears very black if suffered to grow for a day or two, but he usually shaves it very closely. He has recently received an injury on the forefinger of the left hand, and has it bound up, and may probably lose the first joint of it. He speaks deliberately, and is more correct in conversation than persons of his color usually are. He walks slowly, is a very good waiter, but delights particularly in attending to horses. He has a variety of cloaths, and took with him one dark green broadcloth coat and pantaloons with yellow buttons, one cloth coat and pantaloons nearly of the same color, but the cloth of inferior quality, with white metal buttons, one blue cloth coat much worn, one old brown surtout coat with covered buttons, a good hat, and a pair of black top boots. The rest of his apparel I am unable particularly to describe. He is fond of wearing boots, and pays great attention to his dress.

As he can read and write very well, he may probably produce a forged authority for him to pass, or procure the certificate of some one of the Negroes, who, a few years ago, petitioned by the name of Thomas, and obtained their freedom in Maryland. If taken out of the state of Maryland and district of Columbia, and secured in any jail, so that I shall get him again, the above reward will be given, or sixty dollars if taken and secured within the said state or district; all reasonable expences will all also be paid, if he should be delivered to me in the city of Washington, or to Dr. Richard Duckett, in Prince George's county, Maryland.—He is well acquainted in Annapolis, Baltimore, Geo. Town, and the city of Washington.

ALLEN B. DUCKETT.

May 13—eptf.

JAMES A. PORTER, *Attorney at Law*, hath just settled in the city of Washington, and opened his Office in the house of THOMAS HERTY, Esq. opposite Mr. Rhodes's tavern, Pennsylvania avenue; where, he can be consulted, and employed in the line of his profession at almost any time, and will use every necessary attention and exertion to merit public confidence.

BUZZARD'S ISLAND.

I WILL sell at private sale or exchange on liberal terms for other Landed Property, provided the situation is approved, the tract of land on which I reside, called *Buzzard Island*, lying on Patuxent river in Calvert county, and nearly opposite to Benedict, containing about eight hundred acres of as rich fertile land as can be found in the state of Maryland, one third of which is in wood and very heavily timbered; likewise a great quantity of Locust, Cedar and Chesnut.

The arable part of this plantation is level and much of it covered with oyster shells, and is divided into three fields, each of which will produce two hundred barrels of corn, with a reserve of prime tobacco land sufficient to grow fifty hhds. annually, and with very little labor more meadow may be reclaimed than will be found sufficient. No land can be better adapted to the growth of corn, tobacco and wheat, and few plantations hold out stronger inducements to stimulate an industrious man. It binds for a considerable distance on the river, has several landings and lies nearly in a square—fish, oysters, and wild fowl are to be had at all times—stock of every description, particularly sheep, thrive and improve wonderfully when removed to this land, a convincing proof of the goodness of soil and the nutricious quality of the grass which it produces in great abundance. The improvements are sufficient to accommodate a small family. A more particular description is not necessary—a purchaser will naturally view the premises.
