"Our Flag Will NOT C me Down!" Sebastian Fieser.

1

We heard the news from Berlin-when the Kaiser had his say:
"I first will conquer Europe, then look out--you U.S.A.!"
Our Government then sent him word, "Our Flag will not come down!"
If you insult the Stars and Stripes, you'll surely lose your crown!"

CHORUS.

Our Uncle Sam, called his brave brave Yanks, and he knew that all were true
Each grabbed a gun, aimed at a Hun and made a shot or two; (sent to do;
They took another shot, and they always hit the spot, that's what they were
Then they took another shot--yes, another shot-yes, they took a shot or two.

2

We'll drive the Huns back to Berlin, as to the Rhinewe go!
The Kaiser then will say: "Mein Gott--why do they treat me so?"
We'll make them all surrender, for that is just what must be;
Then all the Nations will proclaim a pure Democracy.
