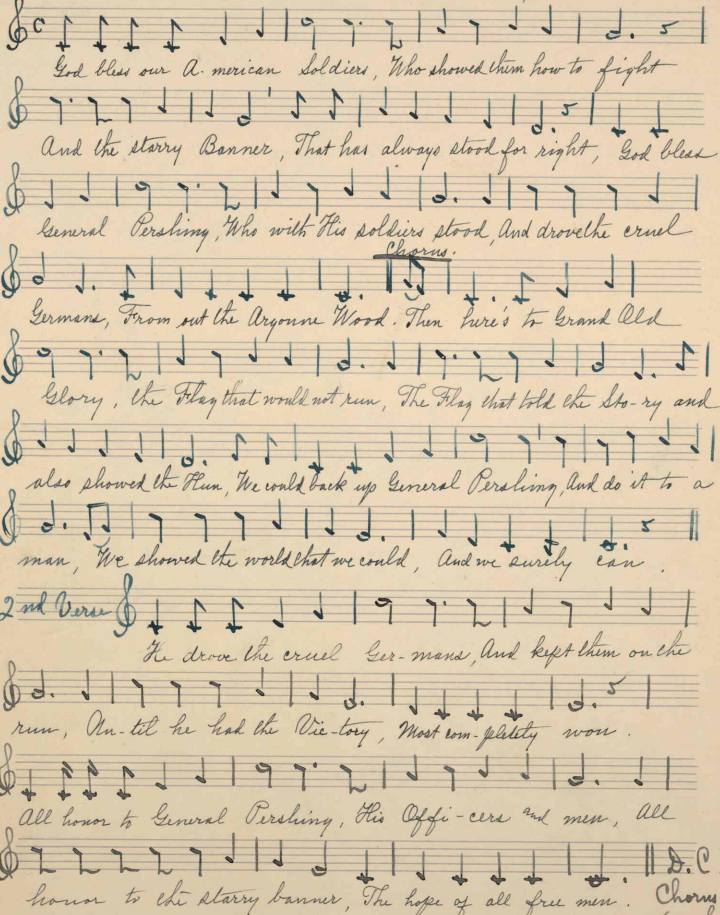
General Pershing and his Soldiers Over Seas.

Moderato



God bless our A-merican Soldiers, Who showed them how to fight
And the starry Banner, That has always stood for right, God bless
General Pershing, Who with His soldiers stood, And drove the cruel
Germans, From out the Argonne Wood. Then here's to Grand Old
Glory, the Flag that would not run, The Flag that told the Sto-ry and
also showed the Hun, We could back up General Pershing, And do it to a
man, We showed the world that we could, And we surely can.

Chorus.

2nd Verse

He drove the cruel Ger-mans, And kept them on the
run, Un-til he had the Vic-tory, Most com-pletely won.
All honor to General Pershing, His Offi-cers and men, All
honor to the starry banner, The hope of all free men.

D.C.
Chorus.
