December 10th Last Day!

MARK TWAIN SALE CLOSES

Laugh and Grow Young

Today our great men know that to forget their cares they must know how to laugh. Not the laughter of a passing jest or a pretty folly, but the deep, wholesome laughter that wells up from the heart.

You can forget the cares and burdens of your day if you know the laughter that bubbles and twinkles through the pages of Mark Twain.

Everybody loves the man who laughs. He is at peace with the world—at peace with himself. He is a success in life—in business and at home.

Many times in the past few years you have said to yourself, "I must get that set of Mark Twain. I don't want my children to grow up without him."

But now the time has come when tomorrow will not do as well as today. We not only have to raise the price—we have to close the little payment sale.

Before you see another Mark Twain advertisement you will have missed your last chance to get his imperishable work at a low price.

"You should have GOOD HEALTH and a PERFECT FIGURE and you CAN"

says Annette Kellermann

I wish I could speak with you personally, it would be so much easier to convince you.

I could tell you all about my own experience; how, as a girl, I was puny and under-developed; how, by devoting myself to a study of my body, I gradually **perfected my figure, health and appearance to such an extent that I became known the world over as the PERFECT WOMAN**—Think of it.

I could show you how the very methods that did so much for **ME** can perfect **YOUR** figure, increase **YOUR** energy and improve **YOUR** health and general appearance; how they can do all this **without the use of drugs or apparatus, and in the privacy of your own room, for only fifteen minutes each day.** I'd give you proof conclusive, from the hundreds of cultured and refined women who have followed my methods with such remarkable success.

Even if I can't meet you personally, I can do the next best thing and write you fully regarding your condition, for I know you want to find out more about a system that can do so much for you.

How you can find out:

Send for my free booklet. It contains information that is of vital importance to all women and I **want** you to read it. It is called "The Body Beautiful" and is illustrated with photographs of myself.

This little book, which you may have for the asking, outlines my system and explains my methods frankly and clearly. It points the way to good health and a perfect figure and proves that you can be master of every muscle in your body.

Send a two-cent stamp now and "The Body Beautiful" will reach you by return mail.

You owe it to yourself at least to investigate and NOW is the time.

ANNETTE KELLERMANN, Suite 915H, 29 W. 34th St., NEW YORK

Miss Kellermann enjoys the distinction of being accredited the most perfectly formed woman in the world.
