GOOD BYE BOYS, GOD BLESS YOU!

Words by Mrs. Avis M. Blenger. Music by Luther A. Clark.

Tempo di Marcia.

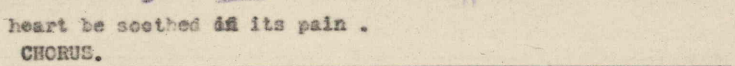
Good-bye boys, God bless you! May you all come

back home again, May the arm of duty caress you, May your

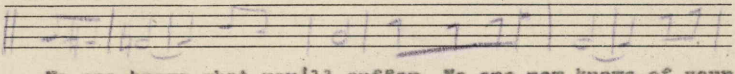
heart be soothed in its pain.

CHORUS.

No one knows what you'll suffer, No one now knows of your



joys; Remember boys, we all love you, We are all proud of



you boys. If one should fall in the struggle And they lay

him down to rest; breathe a word for us o'er his body, Just

this-"He has done his best."

Good-bye, boys. God bless you!
We repeat it again and again;
May the arm of duty caress you,
May you all come back home, once again.
