Developing Bust

Mme De La Vie, America's greatest authority on Health and Beauty Culture, advises deep breathing each morning and night, massaging the parts with Melorose Beauty Cream each night, and each morning bathe the parts with cold salt water. Take White's Vaucaire Galega Tablets four times a day, drink water freely, and within a very reasonable time excellent results will be noticed. It is essential that you take the Vaucaire remedy that contains the GENUINE IMPORTED GALEGA, such as Willard White Company's does, and to be on the safe side ask for this brand, take no substitutes, as they are worthless and a waste of time.

The tablets are more of a food than a medicine and are perfectly harmless. Easy to take.

Not only does Mme De La Vie indorse this method, but also all high authorities on beauty cult and beauty writers and thousands of women who have successfully used them. White's Vaucaire Galega Tablets are no new experiment. $1 per box. By mail if desired.

Your Melorose Cream, Powder and Rouge are so superior to everything else, even the imported, I cannot refuse you an honest expression. Melorose is surely the daintiest and most satisfactory preparation I have ever used and am not at all surprised that it is indorsed by so many women of note.

Cordially yours,
GRACE WILSON.
