DIXIE IS DIXIE ONCE MORE

Words by
LEO TURNER

Music by
JAMES KARP

List-en folks; list-en folks; Now that they have cleared up all the bat-tle smokes

There is news; there is news; News that's gon-na make you all for-get your blues

You all know; you all know; Dix - ie has been qui - et for a year or so;

Now our boys are back with a noise And that is why I say:

CHORUS:

There'll be hap - py days in Dix - ie, Hap - py days and nights;

All our boys are back once more, Cel-e-brat-ing 'cause they won the war;

Soon a - gain you'll hear them sing - ing 'Round the cab - in door;

Old Al - ex - an - der's got his rag - time band

Where it be - longs in dear old Dix - ie - land

There'll be hap - py days in Dix - ie, 'Cause Dix - ie is Dix - ie once more.
