CUR BOYS IN BUFF

Our boys in buff are Yankee stuff
Fed on pork and beans
Now over on the other side they make the eagle scream
For be it high up in the air, or on the land or sea
They'll plug the Och-Du-Kaiser till we're free
Each boy's a beauty, he'll do his duty
With loyal hearts so true and stout
You'll see the Germans like rats a squirming
When the Yanks give their freedom shout

Brave boys a fighting this old world to free
For humanity, for home and liberty
You'll hear Huns and slackers
Give the Och-Du-Louie sneer
Go knock them out, put them to rout
Be a U.S. Cavalier

Our boys in buff are fighting stuff
They'll kill the Kaiser's dream
You bet they'll bring the bacon home, no slacker will they screen.
They fight like eagle's in the air, like sharks within the sea
On land like yellow jackets sting till free.
Each boy's a binger, he'll use his stinger
On the Kaiser's Wee-ne-wurst
Wilhelm-de-Grosse they'll cover over
With limburger and sour kraut.
