1. Hur- rah for you Sam-mies! you all are fine lads, No-bo-dy's proud-er of you than your Dads. Do your work and do it well, Thro' can-non's roar and burst-ing shell.
2. You... are the boys..... with cour-age and "pep" There... on time... to say.... "hep! hep!" Some day soon you'll smash old Bill, "Then those Ger-mans 'll have their fill."
3. The sound of the gun will for-ev-er be still. There'll be "Peace on Earth to man... Good Will." One great fi-nal bu-gle call. "Free-dom, free-dom, For-ev-er for all"!
