Valuable property
FOR SALE,

I WILL sell on reasonable terms the farm on which I reside, containing about 1000 acres of valuable land. The soil is well adapted to wheat, corn and tobacco, and the cedar and locust which puts up in every uncultivated spot will afford a never failing supply of wood and timber. The farm is handsomely situated on the Patuxent river, and commands an elegant and extensive view. Its form is nearly a square, one side of which is bounded by the river, and another by Battle creek which is deep and navigable for the largest vessels employed in the Bay trade, so that the farm may be enclosed at half the labor and expense that would be required by one of equal size that is not so fortunately situated. It is very convenient to the Baltimore, Norfolk and George-Town markets, to either of which places the produce may be safely and expeditiously conveyed in vessels that can lye along side the beach for the purpose of receiving it. The improvements are a new two story dwelling house, not quite finished, containing four commodious rooms and a large passage through the house on each floor and a cellar beneath of the same form and dimensions—An excellent granary, corn house, stables, &c.—The river and creek abound in the different seasons with fish, oysters and wild fowl of the best quality.

The terms of sale may be known by application to

50 Dollars reward,

STRAYED or stolen from the commons of Washington city, between Saturday and Monday the 7th and 9th of July, inst. a pair of bright BAY HORSES, of the following descriptions:—One about fifteen and a half hands high over the shoulders, and about two inches lower over the hips, supposed to be eight years old, black mane and tail, mane on the right side, trots and canters, a star in the forehead, both hind ancles white, and has partly on the inner side of each, uniformly placed, about one inch above the hoof a black spot of about three quarters of an inch diameter; no other striking natural marks are recollected. This horse is supposed to be three fourths English blooded; he is when in flesh very handsome, and moves with ease and elegance. He is now much reduced in appearance by a long journey, his back something injured by the saddle, and has old marks of similar abuse.

The other horse is about fifteen and a half hands high before, and the same behind, six years old, not so handsomely built in any respect as the other, but carries himself very well, trots hard, canters easy and racks a little, his mane and tail are likewise black; his mane thin and on the right side; left hind ancle white; has a star in the forehead, and a snip in the nose, mostly inclined to and running into the left nostril; a circular brand on the left shoulder, with a character in the center believed to be intended for an A. He is not so low in flesh as the other, the new saddle marks are worse, but he has few or no old ones, except a slight appearance of a former naval gall. They were shod all round.

If stolen the above reward will be paid on conviction of the thief; if strayed and found within 20 miles of Washington city a reward of 20 dollars will be given, and if beyond that distance, 40, dolls. expences included, on their return to Phineas Bradley, Washington city, or Renner and Bussard, George Town.
