N. B. Prizes subject to a deduction of 15 per cent.

This lottery has been authorised by the legislature of Virginia, for the laudable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it——which it is believed will be on the second Monday in December next.

## To be Sold,

*On Thursday the 27th day of September on the premises to the highest bidder, if not disposed of by private sale before that day.*

THE tract of land whereon I now live in Fairfax Co Virginia, on Popes Head creek, containing 550 acres, the situation is agreeable and healthy; there is on it an excellent mill seat on the above mentioned creek, with an inexhaustible quantity of grey free stone, and an abundance of good red and white oak, poplars, and hickory timber to erect the dam and necessary buildings on the spot; there is on this creek which washes this tract, for about two miles, a very considerable portion of the first quality meadow land, there is a considerable quantity of fresh land, just opened, and nearly half of the tract to cut; it is situated about 20 miles of George Town, Washington, Alexandria and Dumfries, it is considered the best piece of forest land in the county—the terms of payment will be one third paid down, one third in 18 months and the other third in three years; an indisputable title will be made to the purchaser. The public is assured that the sale will take place if not privately disposed of before the day of sale, as I am determined to remove to the state of Kentucky this fall—Also on the same day and place, will be sold, all my stock of every sort, plantation utensils, household and kitchen furniture and the present crop now on hand for ready cash.

## Valuable property FOR SALE,

I WILL sell on reasonable terms the farm on which I reside, containing about 1000 acres of valuable land. The soil is well adapted to wheat, corn and tobacco, and the cedar and locust which puts up in every uncultivated spot will afford a never failing supply of wood and timber. The farm is handsomely situated on the Patuxent river, and commands an elegant and extensive view. Its form is nearly a square, one side of which is bounded by the river, and another by Battle creek which is deep and navigable for the largest vessels employed in the Bay trade, so that the farm may be enclosed at half the labor and expense that would be required by one of equal size that is not so fortunately situated. It is very convenient to the Baltimore, Norfolk and George-Town markets, to either of which places the produce may be safely and expeditiously conveyed in vessels that can lye along side the beach for the purpose of receiving it. The improvements are a new two story dwelling house, not quite finished, containing four commodious rooms and a large passage through the house on each floor and a cellar beneath of the same form and dimensions—An excellent granary, corn house, stables, &c.—The river and creek abound in the different seasons with fish, oysters and wild fowl of the best quality.

The terms of sale may be known by application to
