American Printed goods.

Calicoes, Shawls, Pocket Handkerchiefs, &c. manufactured by the subscribers near Baltimore, and sold at No. 13 *Calvert street.*

TO remove that distrust often felt respecting new undertakings, and so prejudicial to manufacturing attempts in America, they think it proper to observe, that nothing is wanting in the business to enable good artists to perform their work here as well as in Europe. That they have these artists; that two of the partners were bred to the business in a factory of the best repute carried on by their father, & long afterwards by themselves. They trust that while foreign goods are received without a question, an unreasonable suspicion will not prevent their countrymen from giving that trial to their goods, which only can prove their value. Besides a natural doubt, they know that certain interests, national as well as well as individual, will suggest objections to their undertaking. They have no difficulty in saying, that work of the like kind shall be as well executed here, as in other countries. The colors capable of being fixed, will be found as permanent; the cloths perhaps better substance, and the prices lower than of the imported cottons.

This lottery has been authorised by the legislature of Virginia, for the laudable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it——which it is believed will be on the second Monday in December next.

50 Dollars reward,

STRAYED or stolen from the commons of Washington city, between Saturday and Monday the 7th and 9th of July, inst. a pair of bright BAY HORSES, of the following descriptions:—One about fifteen and a half hands high over the shoulders, and about two inches lower over the hips, supposed to be eight years old, black mane and tail, mane on the right side, trots and canters, a star in the forehead, both hind ancles white, and has partly on the inner side of each, uniformly placed, about one inch above the hoof a black spot of about three quarters of an inch diameter; no other striking natural marks are recollected. This horse is supposed to be three fourths English blooded; he is when in flesh very handsome, and moves with ease and elegance. He is now much reduced in appearance by a long journey, his back something injured by the saddle, and has old marks of similar abuse.

The other horse is about fifteen and a hands high before, and the same behind, six years old, not so handsomely built in any respect as the other, but carries himself very well, trots hard, canters easy and racks a little, his mane and tail are likewise black; his mane thin and on the right side; left hind ancle white; has a star in the forehead, and a snip in the nose, mostly inclined to and running into the left nostril; a circular brand on the left shoulder, with a character in the center believed to be intended for an A. He is not so low in flesh as the other, the new saddle marks are worse, but he has few or no old ones, except a slight appearance of a former navel gall. They were shod all round.

If stolen the above reward will be paid on conviction of the thief; if strayed and found within 20 miles of Washington city a reward of 20 dollars will be given, and if beyond that distance, 40, dolls. expences included, on their return to Phineas Bradley, Washington city, or Renner and Bussard, George Town.

Charlotte Hall School.

AGREEABLY to public notice, the Trustees of this institution held their annual examination of the pupils on the 4th, 5th, and 6th of September: *John A. Stuart*, Esq. of Fairhaven, Virginia, at the particular request of the Board presided during this examination and, at the close, in a most elegant and appropriate address, expressed "*his highest approbation, his most unbounded astonishment and applause.*" How grateful to the feelings of the Trustees were the loud plaudits of a numerous assemblage of the parents and guardians of children committed to their care! During the orations there appeared an ecstacy of joy! and, the calm satisfaction which was exhibited in the examination of the different classes in Homer, Lucian, Greek Testament, Cicero, Terence, Virgil, Cæsar, Ovid, Cornelius Nepos, Set. Vet. Erasmus, Corderius, and every part of Grammar, gave equal pleasure to the Trustees and to an attentive audience.

With what rapture did every spectator anticipate the future benefits which may result to society from the growing success of this rising establishment—with what delight did all behold 128 pupils in perfect health! and not a single child, accidentally detained, was absent from sickness.

The Trustees hope, that this public approbation of the performance of the pupils will stimulate them to persevere in the race of glory and will rivet to their youthful minds this important truth, that education will render them useful citizens and good men.

The classes will open on the 6th day of October next under the following arrangement,

GEORGE RALPH, A. M. Principal.
OWEN F. MAGRATH, A. M. Vice Principal.
JAMES TOOMY, Assistant in the classical school.
