detention of colonial produce by Great Britain—of the treatment which our vessels have received from the unlicensed armed vessels of the belligerent powers—and of the defenceless state of our sea-port towns. The memorial is certainly one of the most able productions of the kind we ever read—it expresses in a mild, yet firm and dignified manner, the grievances of a highly injured people, and asks in a tone not easy to be refused, for redress from the government of their country.

Philadelphia, Dec. 28.

GEN. MOREAU—On Thursday an elegant dinner was given to this gentleman, by a very large and respectable party of citizens. The following are the only toasts which were deemed necessary on this occasion, viz.

The President of the United States.

The memory of Gen. Washington.

The land we live in.

After General Moreau had retired, the president gave the following, which was drank amidst the most cordial acclamations.

Our illustrious guest.

20 DOLLARS REWARD.

RANAWAY from the subscriber, living in Frederick county, Virginia, near Front Royal, on the 24th inst. a likely mulatto man named BILL WOOD, about 20 years of age, and about 5 feet 6 or 8 inches. The boy was formerly the property of John T. Mason, esq. of George Town; had on when he went away a blue surtout, a sailor jacket made of white plains, which he has since died black or purple, also a pair of mixt kersey pantaloons a pair of white yarn home made stockings, a home made pair of shoes, a pair of spurs, and I think he has a red colored waistcoat, besides a great many other clothes which I cannot describe—I am informed he has stolen a bay horse or mare, which he was seen with at Rasberry Plain near Leesburg. It is highly probable that he is making towards Annapolis, where he has a mother living, he has also a father living by the name of John Wood,

Whoever will apprehend said fellow and secure him in any jail so that I get him again, shall receive the above reward.

1500 DOLLARS REWARD.

HIGHWAY ROBBERY.

YESTERDAY about 11 o'clock in the forenoon, Mr. JOHN PETER, an Officer of the BANK OF COLUMBIA, was stopped on horseback on the road between this town and Alexandria, and within about 2 miles of the latter place, by some unknown villain, shot through the body with a pistol, and robbed of a sum of money in his possession belonging to this Institution which he was taking to Alexandria, for the purpose of exchanging with the banks there.

The whole sum taken amounted Eighteen Thousand One hundred and Fourteen Dollars and Sixty five Cents, made up in several packages, among which were,

	Dol. C
1 post note of the Bank of Virginia, for	800
1 do. of the same, for	500
1 do. of the same, for	500
1 do. of the same, for	450
1 do. of the Bank of Potomac in favor of Joseph Riddle by him endorsed to Washington Bowie, dated 6 July, 1805. No 117	149 65

A check of the Union Bank, on the Bank of Alexandria, drawn by R. Higinbotham, cashier, in favor of Greetham and Deveraux, by them endorsed and by Benj. Stoddert, and C. Smith, Teller.

There were also a parcel of post notes of the Bank of Alexandria for 100 dolls. and for 50 dolls. each. The remainder was in current notes, principally of the banks of Alexandria and Potomac, and some few of the Bank of Virginia of different sizes and denominations.

As the attack was sudden, and the wound received of a nature to deprive Mr. Peter instantly of his senses, (although it is now hoped he will recover) the description obtained may not be very accurate—as far as we are informed—the man who perpetrated the act, is of middle stature, good countenance, and had a genteel appearance. He had on a dark blue or black coat, nankeen pantaloons, shoes, and a black hat, he was on foot and alone at the time, but may have had accomplices concealed, and will probably change his clothes

FIVE HUNDRED DOLLARS will be given to any person or persons, who will detect and bring to conviction the robber: and ONE THOUSAND DOLLARS additional for the recovery of the whole of the money, or in proportion for any smaller sum recovered—should there be accomplices, and one of them make a discovery, in so that it leads to the conviction of the robber, or to the recovery of the money he shall receive the above reward, and interest will be made to obtain his pardon.

WILLIAM WHANN, Cashier of the Bank of Columbia.

IRON WORKS

ON POTOMAC.

The Subscriber has for Sale

or Rent, a good seat for a Furnace upon the North Branch of Potomac in Hampshire county, with plenty of ore already investigated at considerable expence and found to be good, a constant and sufficient stream with upwards of 30 feet fall, and the wood of more than 9000 acres of well timbered land; enough of which is arable to form a complete establishment. Connected with this may also be rented the forge built by Mr. John Potts at the Great Falls of Potomac, now the property of the subscriber. It is conceived that these two seats are particularly worthy of the notice of Iron Masters of capital; as they are fully adequate to the supply of iron, in its various forms, to an extensive country, having great demand for that article, both above and below the Blue Ridge. The Hampshire property is free from every incumbrance, and the payment of a very few thousand dollars due to the proprietor of the fee simple at the Great Falls (my lease of which is for upwards of 970 years at a low rent) for rents in arrears prior to my purchase, will render this property clear; and afford a complete establishment for all the various manufactures of Iron, as well as for mills, with a convenient farm, &c. &c.

I have seats equally eligible (if not superior) for furnace and forge upon the river Shenandoah in this county, with ore, wood, and water, all convenient and abundant; which may be rented for a long term of years, with rich farming land attached thereto.
