INFORMATION

To TRAVELLERS.

THE fubfcribers beg leave to inform the public that on the firft day of April next, a new, expeditious and convenient

LINE OF STAGES,

will be eftablifhed between the cities of Philadelphia and Wafhington—to run in the following order of time and place:

A ftage, with the mail, will leave Brent's tavern in Wilmington, every Monday and Wednefday, at 5 o'clock A. M. and arrive at Chefter-town early in the evening on the fame day.

A ftage with the mail, will leave Chefter-town on every Tuefday and Thurfday, at 5 o'clock A. M. and arrive at Rock Hall by early breakfaft.

A comfortable and faft failing packet, with the mail, will leave Rock Hall on every Tuefday and Thurfday at 8 o'clock A. M. and arrive at Annapolis, with a favorable wind, in the courfe of two and a half hours, at any rate in the courfe of the fame day.

A ftage with the Eaftern Shore of Maryland and Delaware mails, will leave Annapolis on Wednefdays and Fridays, and arrive at Wafhington and George-town on the fame days.

The ftage will leave M'Laughlin's hotel in George-town and Stelle's in Wafhington, on every Thurfday and Sunday, at 5 o'clock A. M. and arrive at Annapolis on the fame days.

A packet will leave Annapolis on Mondays and Fridays, at 8 o'clock A. M. and arrive at Rock Hall on the fame days in time to proceed on to Chefter-town on the fame evenings.

The ftage will leave Chefter town on Tuefdays and Saturdays, at 5 o'clock A. M. and arrive at Wilmington on the fame days; from whence a ftage runs to Philadelphia every day.

One of the fubfcribers likewife begs leave to inform the public that he is now eftablifhed at the antient and well known ferry Rock Hall, and has provided good, fafe and commodious packets, fitted up in the neateft manner for the accommodation of paffengers. That a large and comfortable packet will leave Rock Hall, for Baltimore on the fame days that the mail croffes to Annapolis, Tuefdays and Thurfdays, at 9 o'clock A. M. and will leave Baltimore, from the lower end of Bowly's wharf, on Wednefdays and Saturdays, at 9 o'clock A. M. for Rock Hall. Each of the above packets are well calculated for the conveyance of horfes and carriages. Horfes and carriages will always be in readinefs for the conveyance of paffengers on their arrival at Rock Hall, to whatever place they may wifh to proceed, in any neighbouring part of the country, or to Chefter-town, from whence they may be conveyed to the northward or fouthward, by the regular line of ftages; and that the Annapolis packet will leave Annapolis on Wednefdays for Rock Hall, and will leave Rock Hall on Sundays for Annapolis, befides the regular day of carrying the mails as above mentioned. He alfo flatters himfelf, that from his experience in maritime purfuits and the confidence placed in him by many of the moft refpectable merchants in Baltimore, whilft following the fea faring life, that he has a competent knowledge to keep his boats in good order, for the comfort and convenience of paffengers, and that he fhall merit the patronage of a generous public, which he hereby refpectfully folicits.

It is unneceffary to make any comments on the advantages which entitles this route to a preference, to that round the waters of the Chefapeake bay. This affords a fafe dry road, through a beautiful, level, and fertile country, from the Delaware ftate to the feat of government, whilft the other prefents one continual fcene of hills and vallies, generally filled with water and mire. Travellers on this route will not only derive advantage from good roads, fhortening the diftance, and incurring lefs expence, but will avoid the danger of injuring their health, by not being expofed to travelling by night.

DAVID WETHERSPOON, MIDDLE TOWN.
