MEDICINES

OF RICHARD LEE & SON

MUST APPLY TO

Mr. Daniel Rapine, Capitol Hill, Washington, & Dr. N. Magruder, George Town.

"An ounce of prevention is worth pounds of cure."

For the prevention and cure of Billious and Malignant Fevers, is recommended

Lee's Anti-Billious Pills,

Prepared by Richard Lee & Son, Baltimore.

THIS medicine has, for eight years paſt been attended with a degree of ſucceſs highly grateful to the inventor's feelings, in ſeveral parts of the Weſt Indies, and the ſouthern part of the U. States, particularly in Baltimore, Peterſburg, Richmond, Norfolk, Edenton, Wilmington, Charleſton and Savannah. The teſtimony of a number of perſons in each of the above places has been adduced, who have reaſon to believe that a timely uſe of this ſalutary remedy has, under Providence, preſerved their lives when in the moſt alarming circumſtances.

Facts of this concluſive nature, ſpeak more in favor of a medicine than columns of pompous eulogy, founded on mere aſſertion.

It is not indeed preſumptuouſly propoſed as an infallible cure, but the inventor has every poſſible reaſon that can reſult from extenſive experience, for believing that a doſe of theſe pills taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative; & further, that in the early ſtages of thoſe diſorders, their uſe will very generally ſucceed in reſtoring health, and frequently in caſes eſteemed deſparate, and beyond the power of common remedies.

The operation of theſe pills is perfectly mild, ſo as to uſed with ſafety by perſons in every ſituation, and of every age.

They are excellently adapted to carry off ſuperfluous bile, and prevent its morbid ſecretions to reſtore and amend the appetite—produce a free perſpiration, and thereby prevent colds, which are often of fatal conſequences; a doſe never fails to remove a cold, if taken on its firſt appearance. They are celebrated for removing habitual coſtiveneſs—ſickneſs at the ſtomach and ſevere head ache—and ought to be taken by all perſons on a change of climate.

They have been found remarkably efficacious in preventing and curing diſorders attendant on long voyages, and ſhould be procured and carefully preſerved for uſe by every ſeaman.

Lee's Infallible Fever and Ague Drops,

For the cure of Agues, Remittent and Intermittent fevers.

Thouſands can teſtify of their being cured by theſe drops, after the bark and every other medicine have proved ineffectual. Not one in a hundred has had occaſion to take more than one, and numbers not half a bottle.

Theſe drops are particularly recommended to the inhabitants of low marſhy countries, where the worſt ſort of agues generally prevail; which, unleſs early attended to, and ſpeedily removed, injure the conſtitution exceedingly bring on dropſies, putrid fevers, and a variety of complaints of the moſt dangerous and alarming nature. Many other medicines are daily offered to the public for the cure of this diſorder, which, upon trial, have been found either dangerous or uſeleſs. The bark is the uſual remedy made uſe of but being a very nauſeous medicine, and ſeldom taken in ſufficient quantity, it very often fails; children and thoſe who have weak ſtomachs, are frequently loſt for want of a more eaſy and pleaſant remedy.

Sovereign Ointment for the Itch.

A preparation which for pleaſantneſs, eaſe, ſafety, and expedition, gives place to no application whatever; free from mercury, or any pernicious ingredient.

Lee's Worm Deſtroying Lozenges.

Which have within ſeven years paſt cured upwards of one hundred thouſand perſons of both ſexes, of every age and in every ſituation, of various dangerous complaints ariſing from worms and from obſtructions or ſouineſs in the ſtomach and bowels—they are perfectly ſafe and pleaſant, and may be given to the youngeſt infant or the moſt delicate pregnant lady with propriety.

Lee's Genuine Eye Water.

A ſovereign remedy for all diſeaſes of the eyes, whether the effect of natural weakneſs or of accident.

Tooth Ache Drops.

The only remedy yet diſcovered which gives immediate and laſting relief in the moſt ſevere inſtances.

Genuine Perſian Lotion,

So celebrated among the faſhionable throughout Europe, as an invaluable coſmetic, perfectly innocent and free from corroſive and repellent minerals, (the baſis of other lotions) and unparalleled efficacy in preventing and removing blemiſhes of every kind, particularly freckles, pimples, inflammatory redneſs, ſcurfs, tetters, ring worms, ſun-burns, prickly heat, premature wrinkles, &c.

Lee's Genuine Eſſence and Extract of Muſtard.

A ſafe and effectual remedy for Acute Chronic Rheumatiſm, Gout, Palſy, Lumbago, Numbneſs, White Swellings, Chilblains Sprains, Bruiſes, Pains in the face and neck, &c.

The Anodyne Elixer,

For the cure of every kind of Head-Ache.

Lee's Damaſk Lip Salve,

Is recommended (particularly to the Ladies) as an elegant and pleaſant preparation for chopped and ſore lips, and every blemiſh and inconvenience occaſioned by colds, fevers, &c. ſpeedily reſtoring a beautiful roſy color and delicate ſoftneſs to the lips.

Reſtorative Powder for the Teeth and Gums.

Lee's genuine Corn Plaiſter.

An infallible remedy for ſpeedily removing Corns, Root and Branch, without giving pain.

Indian Vegetable Specific,

For the cure of Venereal Complaints.

It will be prudent in all who eſtimate the value of health, to obſerve that each of the above articles have the ſignature of Richard Lee & Son, on the outſide wrappers, without which none are genuine.

☞ Letters directed for Richard Lee & Son, No 17, Market ſtreet, Baltimore, will be punctually attended to.

William Campbell, bill of Interpleader,

IN CASE OF

Henry Pratt, Thomas W. Francis, John Miller, jun. John Aſhly, and *Jacob Baker*, Complainants.

VERSUS

William Mayne Duncanſon and Samuel Ward, Defendants.

THE bill is filed by Wm. Campbell, by way of interpleader, in a caſe now depending in chancery, in the circuit court for the county of Waſhington in the diſtrict of Columbia, in which, Henry Pratt, Thomas W. Francis, John Miller, jun. John Aſhley and Jacob Baker of the city of Philadelphia, are complainants, againſt William Mayno Duncanſon, of the city of Waſhington, and Samuel Ward of the city of New York, defendants; the bill filed in the ſaid caſe ſtates, among other things, that a certain Robert Morris and a certain John Nicholſon and a certain James Greenleaf, or ſome of them, being ſeized of certain ſquares in the ſaid city of Waſhington, in the diſtrict of Columbia, and in the ſaid bill mentioned, conveyed the ſame to the ſaid W. M. Duncanſon, to guarantee him againſt certain bills of exchange and notes, and that certain of the ſaid bills were held by the ſaid Samuel Ward, but that the whole of the ſaid bills and notes have been fully diſcharged without any loſs or injury to the ſaid Wm. M. Duncanſon, who is completely exonerated from any charge on account of the ſame. The ſaid bill further ſtates, that the intereſt on ſaid ſquares had borne by aſſignment to the complainants in ſaid bills, and prays that the complainants may have a conveyance for the ſame. In this bill of interpleader, the ſaid Wm. Campbell ſtates, that previouſly to the aſſigment in the aforeſaid bill mentioned, the ſaid Rt. Morris and John Nicholſon were indebted to him, the ſaid W. Campbell, in a large ſum of money; and that he ſued out certain writs of attachments againſt the ſaid Rt. Morris and John Nicholſon, reſpectively returnable to the general court of the ſtate of Maryland, and that the ſaid attachments were laid upon certain ſquares and lots in the city of Waſhington. That upon the return of the ſaid attachments the ſame were by the ſaid court quaſhed, from which ſaid judgment, the ſaid Wm. Campbell ſued forth a writ of error to the court of appeals of Maryland, being a court of the laſt reſort; and the ſaid court of appeals afterwards at June term in 1800, took the ſaid judgments of the general court into conſideration and reverſed the ſame, and did then condemn the ſaid property ſo attached for the payment of the money mentioned in ſaid attachments. The ſaid Wm. Campbell further ſtates, that after the ſaid judgment of the court of appeals, the ſaid Wm. Campbell iſſued ſeveral writs of fieri facias, under which a part of ſaid property was legally ſold, and that he became the purchaſer of the ſame. He further ſtates, that the bill and notes for which the aforementioned mortgage to Duncanſon was made have been duly paid, and that the ſaid property cannot with good conſcience be any longer held by ſaid Duncanſon or Ward, on account of the ſame. He further ſtates, that the ſeveral ſquares mentioned in ſaid bill of Pratt and others, except ſquare north of the ſquare weſt of 606, ſquare 506, ſquare ſouth of ſquare 549, ſquare weſt of 604, and ſquare weſt of 606, were condemned as aforeſaid and purchaſed by him; the ſaid Wm. Campbell further ſtates, that the ſaid Wm. M. Duncanſon is indebted to him to a conſiderable amount, and in a much greater ſum than any claim which the ſaid Duncanſon can have as a lien upon ſaid property, and prays that the property mentioned in the bill of ſaid Pratt and others, and purchaſed by him the ſaid Campbell as aforeſaid, may be conveyed to him.

It is repreſented by the ſaid Wm Campbell that the ſaid Henry Pratt, Thomas Willing Francis, John Miller, jun. John Aſhley Jacob Baker & Samuel Ward, do not reſide within the diſtrict of Columbia, not within reach of the proceſs of this court. It is therefore ordered, that the ſaid Wm. Campbell cauſe a copy of this order to be inſerted at leaſt once in each of three ſucceſſive weeks in a Philadelphia and New York newſpaper, and in the National Intelligencer and Waſhington Federaliſt, before the firſt day of December next, to the intent that the ſaid Pratt, Francis, Miller, Aſhly, Baker and Ward, may have notice of this application and of the object of this bill, and be warned to appear in this court in perſon or by ſolicitor, on or before the fourth Monday of December next, to ſhew cauſe if any they can, why a decree ſhall not paſs as prayed.

By order of the hon. William Cranch, chief judge of the circuit court of the diſtrict of Columbia.
