United States District of Columbia, county of Washington, to wit.

IN CHANCERY, 9th OCTOBER, 1807.

Benjamin Stoddert and John Mason,

versus

Thomas Waters Griffith, John R. Livingston, Jonathan Burrell, Gabault & Dodrey, James C. Montflorence, I. I. Picaud and James Davidson.

THE bill states that the defendant, Thomas Waters Griffith was the agent of the house of Taney and Simmond for the delivery of a cargo of flour belonging to the said Taney and Simmond to the French government. That the French government not being able to pay ready money for the said cargo, the balance due thereon from the said government was placed to the credit of the said Griffith, the agent, instead of being placed to the credit of the real owners Taney and Simmond. That the debt so due hath been liquidated under the Louisiana Convention in the said Griffith's name, for the sum of one hundred and ninety thousand, two hundred and seventy francs, French money of the value of 35,675 dollars. That the said Thomas Waters Griffith, now residing and for several years past having resided in Baltimore city in the state of Maryland, well knowing all the circumstances mentioned in the complainants said bill, and that the debt aforesaid was liquidated in his name in Paris under the Louisiana Convention was in truth and in fact a debt due to the said complainants as the trustees of Francis Lewis, Taney, and Taney and Simmond, did execute a writing transferring all the interest of said Griffith in the said debt to the said complainants as trustees aforesaid. That notwithstanding the above circumstances the said Griffith did employ James C. Montflorence of Paris to receive for his own account and use the aforesaid debt, which actually belongs to the said complainants as trustees aforesaid; and the said Montflorence did actually receive the bills on the ministers of the United States, on the Treasury of the United States in part payment of the said debt in four sets of bills drawn in favor of said Thomas Waters Griffith, and which bills have been fraudulently endorsed by the said Montflorence, with a view as the said complainants believe, to defraud them the said complainants, and under a real or pretended power from the said Griffith and as his attorney to the said I. I. Pacaud, who endorsed the same over to John R. Livingston, who has endorsed the same over to Jonathan Burrall, cashier of the Bank of Discount and Deposit at New York, who has endorsed them over to James Davidson cashier of the Branch Bank of the United States in the city of Washington who now holds the same for collection. The complainants further state that four other bills for the balance of the aforesaid claim on the French government liquidated in the name of the said Griffith, but actually belonging to said complainants as trustees as aforesaid, have been drawn in favor of Gobault and Dodrey as transferees of Thomas Waters Griffith, for thirty thousand francs French money of the value of 5625 dollars, which said four bills have also been sent to the aforesaid James Davidson, and endorsed over to him for collection in the same manner as in the case of the four other bills first herein recited. That all the aforesaid eight bills of exchange drawn by the American minister at Paris on the treasury of the United States under the Louisiana Convention for the debt liquidated in the name of Thomas Waters Griffith, are actually the property of said complainants as trustees aforesaid. The object of the said bill is to save and protect the said complainants from the fraud projected against them on the part of the said Thomas Waters Griffith, and his co-adjutors, and to obtain a writ of injunction directed to all the before-mentioned defendants, &c. and particularly to the said James Davidson enjoining and commanding him from paying over to any person besides the said complainants the money that may be paid by the Treasury of the United States in virtue of the said bills of exchange, and particularly enjoining the said James Davidson from paying the said money arising from the said bills, or parting with the said bills until the further order of this court in the premises.

It is represented by the complainants that the said Thomas W. Griffith, John R. Livingston, Jonathan Burrall, Gobault and Dodrey, James C. Montflorence, and I. I. Pacaud, defendants in this cause all reside out of the district of Columbia and are not within the reach of the process of this court. It is therefore ordered that the complainants cause a copy of this order to be inserted once each week for six months previous to the first Monday in June next in the National Intelligencer, to the intent that the said defendants may have notice of this application and of the object of this bill and to be warned to appear in this court in person or by solicitor on or before the first Monday of June next, to shew cause, if any, why a decree shall not pass as prayed.

By order, WM. BRENT, Ck.

ONE HUNDRED DOLLARS REWARD.

RAN away on the evening of the 7th inst. *a bright Mulatto Man,* named *BOB,* who calls himself *Robert Thomas,* about 5 feet 10 inches high, 24 or 25 years of age, has large black eyebrows, large full eyes, not very dark, and is a stout, well made, handsome fellow. His hair is thick, but not quite straight, and he wears it nicely trimmed, combed and ridged on the top. His beard appears very black if suffered to grow for a day or two, but he usually shaves it very closely. He has recently received an injury on the forefinger of the left hand, and has it bound up, and may probably lose the first joint of it. He speaks deliberately, and is more correct in conversation than persons of his color usually are. He walks slowly, is a very good waiter, but delights particularly in attending to horses. He has a variety of cloaths, and took with him one dark green broadcloth coat and pantaloons with yellow buttons, one cloth coat and pantaloons nearly of the same color, but the cloth of inferior quality, with white metal buttons, one blue cloth coat much worn, one old brown surtout coat with covered buttons, a good hat, and a pair of black top boots. The rest of his apparel I am unable particularly to describe. He is fond of wearing boots, and pays great attention to his dress.

As he can read and write very well, he may probably produce a forged authority for him to pass, or procure the certificate of some one of the Negroes, who, a few years ago, petitioned by the name of Thomas, and obtained their freedom in Maryland. If taken out of the state of Maryland and district of Columbia, and secured in any jail, so that I shall get him again, the above reward will be given, or sixty dollars if taken and secured within the said state or district; all reasonable expences will all also be paid, if he should be delivered to me in the city of Washington, or to Dr. Richard Duckett, in prince George's county, Maryland.—He is well acquainted in Annapolis, Baltimore, Geo. Town, and the city of Washington.
