TO OUR SUBSCRIBERS.

Subscribers in arrears are earnestly requested to comply with the terms of this Paper, which, it will be recollected, require the annual payment of Five Dollars in advance. At no period, in the affairs of our country, has been more momentous than the present, never has there been a time that required greater exertions from the public prints. While the most indefatigable and unremitted efforts are made to mislead the public mind, and to give it a direction destructive to the great interests of the nation, it becomes the duty of the republican prints to be firm, vigilant and active in the diffusion of truth. This duty shall be performed by us. As heretofore the public shall be presented with a full and faithful view of the proceedings of the government, including the Debates of Congress, and the interesting Documents that emanate from the several departments of the government. If we are to judge from passing events, no session since the era of the government will have been more important than the one at hand.

To enable the Editor the more satisfactorily to discharge these duties, he has associated with himself, JOSEPH GALES, Jun. who, during the sittings of Congress, will be principally occupied in reporting their proceedings; a department in which he has already shewn his competency and impartiality.

As this, together with other arrangements, will involve great additional expences, we are compelled, notwithstanding the peculiar circumstances of the times, to address ourselves to the justice of our subscribers, under the hope that they will, by their punctuality, enable us faithfully to comply with our engagements.

THIS DAY!
