UNITED STATES PATENT
FOR THE IMPROVED
LIFE BUOY OR SEAMAN'S FRIEND.

A PATENT having been granted by the President of the U. States of America, for the "Improved Life Buoy or Seaman's Friend, the public are respectfully informed that they may be accommodated with this highly useful machine at the shortest notice and very reasonable. Their utility must be generally allowed, and it is hoped now that they may be had in this city, *American Manufactured*. The lives of many may be saved, which for want of such precaution are untimely launched into eternity, to be lamented by their families and friends. Their power is so great that it is impossible for the wearer to sink, and if in danger of their vessel being wrecked a man may have it on and not be hindered from working at any thing. The subscriber flatters himself that their utility is too well known to all those who are any ways connected with the waters to need any commenting on. Orders from any part of the United States, (post paid) will meet with punctual attendance by

WILLIAM FLOWER,
General Commission Agent, No. 58,

Orphan's Court, Prince Georges county, July 19th 1808.

IT being represented to this court by petition in writing of Robert McGill administrator of Benjamin Gaither late of said county, deceased, that in consequence of the absence of the deceased's representatives from the state of Maryland, and of doubts being entertained whether the said absent representatives are in existence or have left any issue to represent them, he cannot safely make distribution of the assets in his hands without the interposition of this court. It is therefore ordered, that unless the said absent representatives appear before the 20th day of January next to receive their respective dividends, that the court will then proceed to make distribution of the assets in the hands of the said Robert McGill, among the deceased's representatives, residing in the state of Maryland, provided the said Robert McGill shall cause a copy of this order to be inserted in the National Intelligencer once a week for eight weeks before the 20th day of November next.
