Dear Mr. Mokhlis,

Very many thanks for your kind letter together with your valuable information. I am very glad that the MS. says "Gabriel the 88th patriarch". The tradition says that this patriarch revised the book of Ritual the catalogue of the Bibl. nat. gives by mistake "Gabriel the 95th patriarch"! You are quite right about the word ارخن, it comes from the Greek word "ἄρχων = archon (i.e. chief) another form of spelling is ارخون. Do you know, perhaps, what the two following words mean 1) افين 2) تساور ?

Awaiting your promised letter and with my renewed thanks, yours v. sincerely, O.H.E. Burmester
