Dear Miss Margit!

Thank you so much for your telegram and kind invitation, I wrote to the Hungarian UNESCO commission about a scholarship for you, enclosed is a copy of my letter, I am expecting a reply from them.

Dr T. Szentleleky vice director of the museum of fine arts, told me when he visited Cairo last may, he could not get the manuscripts of the musical notation, as you were not yet finished with them! and you will send to me. Prof. Benjamin Rajeczky wrote to me on 5. 6. 1943, that you have already trancribed one hundred more melodies than what you have already sent to me.

Forwarding the manuscript to the UNESCO, would has been the best means to get the scholarship.
