PAX : LETCHWORTH : HERTS

Ap. 8 : 1931

—

My dear Mr. Moffat,

Please do not put in any money. I have already put in enough for us both; & you should keep all that you now have for Worthing. This letter is being posted in London this morning in order that you may get it today, (Wednesday), to let you know.

I expect that you are terribly tired after yesterday's strain? We must not try another day like that. It might make us very ill. London is impossible for us. Mr. Richard Whitwell's address is 54 Havenwood Road, Worthing, Sussex. There is also Miss B. M. Bates, 10 Cowper Road, Worthing: a worker for God.

Yours in Him,

Ernest Newlandsmith
