PAX : LETCHWORTH

Ap. 8 : 1931

My Dear Mr. Moftah,

Since my earlier letter, that went off this morning, (being taken by a friend who was going to London), I have received the enclosed from Mr. Whitwell. You will see what manner of man our dear Brother is, & how he at once laid all aside to find a room for you, & will come & meet your train at Worthing rail-way station. So will you please send him a telegram from Victoria Station to let him know what time your train arrives; & then let him arrange a nice room for you at 25/- a week. It is worth while that you should be really comfortable, & this is not too much to pay now that it is after Easter. God bless you!

Yours in Him,

Ernest Newlandsmith

P.S. Please note that I made a mistake in the address of Mr. W. It is Marlowe Rd., as on his letter. E.N.
